

Lively election races in 1979

By HARRY BARNES
Press-Record Staff Writer

Six of the seven Granite City aldermen whose terms expire next year are expected to seek re-election to new four-year terms during the April 1979 series of city elections in the Quad-City area, it was reported today as clerks of the four area municipalities prepared to open election filing periods later this month and in early January.

Elections will be held next April in Granite City, Madison, Venice and Pontoon Beach.

In addition to electing one alderman in each of the seven Granite City wards, voters also will elect a city street superintendent to a four-year term — a post now held by Lionel Portell. The current term was marked by an unsuccessful City Council effort to change that office from an elective to an appointive one.

While the balloting will not be held until April, filing periods will begin this month. Candidates for Granite City aldermanic seats and the street superintendent's office will open Dec. 26 with the last day for filing nominating petitions on Jan. 29.

The Granite City election will be held on April 3, the first Tuesday of the month as mandated by state election laws.

The filing period for candidates

running for city offices in Madison, Venice and Pontoon Beach will open on Jan. 8 and continue through Feb. 13. Elections in those three communities will be held on April 17. Under the election code, cities which have boundaries contiguous to that of the

township hold city elections on the first Tuesday of April, while cities located within a township and do not have extensive boundaries, ballot on the third Tuesday of the month.

Granite City also will elect two

County picked for state office

A Madison County site, north of Interstate Routes 55-70 west of the intersection with Illinois Route 157 in Collinsville, was chosen Friday morning as the location of new District Eight headquarters of the Illinois Department of Transportation.

A 55,000-square-foot building costing \$4 million will be constructed on ten acres at Eastport Plaza, a shopping and business center that is being developed.

The tract was donated by the Collinsville Chamber of Commerce on behalf of Eastport and Bernard B. Birger.

The present highway office at 8600 St. Clair Ave., Fairview Heights, once vacated, is to become the location of

some of the state and regional agencies currently at scattered points in Madison-St. Clair counties.

Transportation Secretary John Kramer said the state now spends about \$600,000 for state-related offices in this region.

By moving some of them, the state hopes to save at least \$200,000 annually, plus deriving rent from non-state consulting bodies likely to be allocated space in the St. Clair facilities.

Additional savings and efficiency are expected through consolidation of Transportation Department operations at Collinsville. Lack of space had

Multipliers for area townships

Real estate property assessments in Granite City and Nameoki townships will be increased more than 10 percent under a series of township multiplying factors announced Friday by Madison County Superintendent of Assessments James Barton.

Barton said a multiplier of 1.1092 for Granite City township and one of 1.1029 for Nameoki township have been established by county assessing officials in a countywide readjustment of assessment ratios to meet requirements of the state department of revenue.

A multiplying factor of 1.0857 has been set for Venice township and a factor of 1.0303 has been set for Chouteau township, Barton said.

The multipliers do not apply to personal property valuations.

If the state agrees that the multipliers are sufficient to increase

Madison County's overall assessments to a ratio of 33.33 percent of fair cash value, there would be no extension of a state multiplier, Barton said.

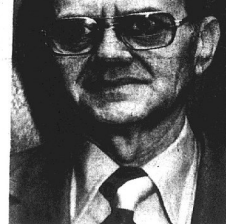

The Illinois Department of Government Affairs announced last week a countywide multiplier of 1.0745 and set Jan. 16 as the date of a public hearing in Springfield at which county officials could respond to the amount of the multiplying factor.

Barton explained that if the local multipliers are sufficient to increase local assessments to the level required by the state, it is unlikely the public hearing would be held.

He also noted that the assessments upon which the local multipliers have been based do not include changes that have been ordered by the Board of review which is now holding hearings

Born and raised in Granite City and a graduate of Granite City High School, Weiss is manager and buyer with the Feder-Huber Furniture Co., Niedringhaus and Delmar Avenues.

A former Army major, he became a furniture salesman in 1954 at Hiken Furniture, Collinsville, where he advanced to manager and casegoods and upholstery buyer.

More than 90 witnesses may be called during the upcoming trial of former Sheriff John Maeras, Deputy John Cooper and fund-raiser Leland Stoller, it was indicated last week after U.S. Attorney Gerald Fines conferred with Sheriff Emil Toffant and his director of administration, Edwin Knezevich.

Unofficial reports are that Fines indicated the Feb. 5 trial of the three is expected to take about three weeks. Fines declined to confirm the reports.

Maeras, Cooper and Stoller appeared with their attorneys for arraignment in federal court at Springfield Friday

morning and all three pleaded innocent to a Nov. 29 indictment which alleges 26 counts against Maeras and Cooper and 21 counts against Stoller.

Accepting bribes from taverns, houses of prostitution, service stations and towing firms by Maeras and Cooper are among the allegations.

All three are charged with misusing funds raised by Stoller for the Madison County Sheriff's Association, including money raised for dances, dance programs, Christmas baskets and other activities.

Federal Judge J. Waldo Ackerman accepted the innocent pleas and released

each on a \$10,000 recognizance bond which does not require the posting of cash.

He formally set the trial date for Feb. 5, beginning at 9 a.m., in the federal courthouse at Alton, but gave attorneys for the three the opportunity to submit motions prior to the trial for a change of venue or for other requests.

Fines said he is not sure where the trial will be held, but that it probably will be either in Alton or Springfield.

After accepting the pleas on the new indictment, Judge Ackerman dismissed an earlier federal in-

Bus fare extended

Still another extension of the 25-cent bus fare in this metropolitan area was granted Friday afternoon by the Bi-State Development Agency board. It voted to change the Jan. 15 date set a week earlier to April 1.

In voting not to raise 15 cents to the basic fare at this time, as had been planned in St. Louis County and in Illinois, the commissioners decided to avoid a split — and to encourage continued subsidies at the existing rate while negotiating for increases in governmental funding.

St. Louis County Supervisor Gene McNary had threatened a halt in all county tax support for the transit system. In return, the agency would have reduced bus service to county residents, workplaces and stores, or

might have ended all of its bus runs.

With a \$65 million yearly budget, the transit system has projected a probable

Timing of Venice tax election confirmed

By VALERIE EVENEDEN
Press-Record Staff Writer

The Venice School District's tax increase referendum date, Saturday, Dec. 16, is a legal date and the 55-cent rate proposal will be voted on as planned.

Illinois legislators overrode Gov. James Thompson's veto of an election bill delaying the start of a law limiting elections to five dates each year.

Eliminating the veto has changed the effective date to Dec. 1, 1980, instead of Dec. 1, 1979. Otherwise, the Venice election might have had to be delayed until April.

Robert N. Vickers said the school district received a letter last week from the Illinois Association of School Boards, stating that school elections set in December may be held as scheduled.

At last week's public hearing on the tax rate increase, means of cutting back different aspects of the district's operations as an economic measure were reviewed, along with alternatives left to the Board of Education should the proposed hike not be approved.

Mrs. James (Barbara) Harrell asked, "Is there any danger of the schools closing immediately if the tax hike fails to pass?"

Board President Jack Tolliver said the board "will stay with same policy it has always felt is right, and try to keep the schools open as long as we can."

"As long as there is a source of revenue, we will keep them open," he stressed.

John Henry Williams asked, "Even if the tax rate passes, will Venice ever get in good shape?"

"From what I've heard, it doesn't appear we are going anywhere. If we let it go down, who is concerned?"

"If I am going to leave town, I'm not concerned. But I am not going to leave, and I am concerned."

"What happens if the school closed tomorrow? Where are our children going to go?"

Supt. Vickers said that, in his opinion, "the state will not step in and operate the schools. It is possible the federal people would say, 'You will merge with another district, where we want to or not, and the kids will have to go to Granite City or

Madison."

Mrs. Margaret Lee asked, "How much time are we really buying if we pass the higher rate?"

"About a year," Vickers replied.

"What we need is about \$600,000 in funding bonds, plus the 55-cent tax rate increase. This would be good for about three or four years," he added.

Mrs. Alvesta Salmond said many problems of the Venice School District are not understood by parents and taxpayers. "Most of the problems are due to no communication."

"We have to know what our problems are. The board is asking for help now, but it is a bit late for that."

Lack of space in the board room discourages people from attending the meeting, it was stated.

"No one is ever discouraged from attending a meeting," Tolliver stressed.

"We receive \$511,421 in taxes, and other income such as Title VII funds bring the total income to \$725,351," Supt. Vickers said.

"We owe \$325,000 in tax anticipation warrants, which must be repaid first each

It was said to have been used in Japanese hand grenades and as a primer for gun shells, school officials said.

Granite City residents who have attended Granite City High School South since the 1940s have shared classroom space with an explosive chemical, it was discovered this week.

School officials acted last Thursday in removing and disposing of a powdered chemical found in a chemistry storeroom by two teachers who had attended a seminar at Southern Illinois University at Edwardsville on laboratory safety and

Close down all Venice schools when funds are depleted for the year.

Close Venice High School and pay tuition to another district for the 150 students to attend.

Drastically reduce the staff at all levels, which would result in classes of 50 pupils per teacher at the elementary school.

Or seek a sufficient tax increase in funding bonds to maintain an adequate educational program.

"No one I've talked with seems to want to see a merger," Supt. Vickers commented.

When state school officials were consulted about the district's financial plight, Vickers said they also appeared to a loss to offer guidance.

"They didn't know what to advise before an evaluation is completed, as they never had a school closed in Illinois for the financial reasons we are facing."

"Results of a special evaluation study made last month by a state board of education team are due in January," Vickers said.

State okays painting at new Madison school

Painting of the interior walls of the new Madison middle school now under construction at 1000 Farish St. has been authorized by the Illinois Capital Development Board, the Madison Board of Education was informed in a regular meeting Thursday night.

The interior painting was not included in the original contract, but board members asked that the work be done because they believe the painting would enhance the school environment.

The Illinois Capital Development Board will pay 70 percent of the \$24,996 painting cost.

Two coats of paint will be applied to all interior faces of the concrete brick walls. The additional painting does not change the contract time.

The outside walls and interior walls of section "A" which is the class room area are built and the roof is being put on that area.

A school spokesman said that as soon as the roof is finished, work inside the academic area will continue during the winter.

Foundations and part of the wall is up for Section B which is the cafeteria and kitchen area, as well as for Section C which is for vocational and fine arts. There have been some delays in obtaining materials and workmen, but school officials said there still remains a good possibility that all will be ready for the 1979-80 school year which begins in September.

The department of Public Health has approved the plans of the school board and Nina Dittman, RN, district nurse to proceed with the immunization program in accordance with state statutes.

The Tri-City Area Young Men's Christian Association was granted a request to use Dunbar grade school for a 15-week youth basketball program.

The board approved a request by the Madison High School band to conduct money-earning projects to support the annual band trip. The request of the Explorer Division of the Cahokia Mound Council BSA, to conduct an interest survey and furnish the guidance department with a computer readout, also was approved. The annual Dunbar Christmas program, scheduled for Friday, Dec. 22, at 10 a.m. in the school gymnasium was approved. The program will feature the O'Neal Twins, a professional singing duo.

The administration was given permission to advertise for bids for fluorescent bulbs (12 cases) and other custodial supplies that will be needed to finish the current school year. Bids for a new dishwasher also will be sought.

Jade house plants

By WAYNE B. SIEFERT

Area Adviser, Horticulture

Jade plant is a house plant that looks like a dwarf tree. It has a thick juicy trunk, short stubby limbs and glossy, thick leaves.

It derives its name from the glossy, deep green, thumb-shaped leaves.

Jade plant is hard to kill if it's neglected. Lack of water may cause it to stop growing and become wrinkled, but it is easily revived by occasional watering.

The best care involves growing it in bright light and allowing the soil to become slightly dry between waterings.

If you overwater, root damage will result in a sudden leaf drop and lack of growth. The soil will stay moist for a week or more.

In this crisis situation, stop watering until the soil dries. After a few days, water on a schedule based on dryness of the soil.

Be sure to allow the soil to become slightly dry before you water again. If the plant is not in bright light or partial sun, move it to your best spot until the

plant revives and shows good growth.

NOT POISONOUS

Mistletoe that grows in the United States is not poisonous. That is a summary of an interview with Dr. Henry Cathy, horticultural scientist at Beltsville.

Dr. Cathy reports that mistletoe berries are safe in normal handling and their bitter taste will discourage anyone from eating them. Feeding tests with American mistletoe were negative when tried on pigs.

Dr. Cathy reports that American mistletoe is in a different family (genus) than European mistletoe.

He reported there are numerous reports of fatalities from mistletoe in Europe, but not a single case in America.

On that first Christmas, so long ago, came strangers bearing gifts for the wondrous child. And thus began our warm tradition of holiday giving.

At First Bank, we have begun a tradition of trying to relive the spirit of that first Christmas. We have asked our employees to imagine the Christ Child has been born this Christmas. We asked them to present a Gift for the Child. A gift, created or bought, that shows the depth of their feeling at the coming of this miracle.

These gifts will be gathered beneath our lobby Christmas Tree. Then, just in time for Christmas, these gifts will be distributed among the less fortunate children in the Quad-Cities by the Salvation Army.

You are invited to join with us in the true spirit of Christmas giving. If you would like to submit a gift, you may add yours beneath our tree as your token of the true revival of the holiday spirit.

The auxiliary Christmas party will be held on Wednesday, Dec. 13, at 7:30 p.m. at the home of Mrs. Larry Hepler, 1239 St. Louis, Edwardsville. Members have been asked to bring canned goods, foodstuffs, or monetary donations for a Christmas basket for a needy family. All wives of Madison County attorneys have been invited to attend.

TO MARRY. Miss Tina Lynn Risinger, whose engagement to Army Private Timothy Jay Jones is being announced by her parents, Mr. and Mrs. Glen Risinger, 3029 Willow Ave. A pre-Christmas wedding is planned.

Jones-Risinger engagement

The engagement and approaching marriage of Miss Tina Lynn Risinger and Army Private Timothy Jay Jones are being announced by the bride-elect's parents, Mr. and Mrs. Glen (Alma) Jones, 3029 Willow Ave.

Plans are being completed for a Dec. 22 wedding in St. Louis.

The prospective groom is a son of Mrs. Norman (Jean) Harris, 2464 Iowa St., and Robert Jones of Washington Park.

He attended Granite City High School South and joined the U.S. Army in July.

Presently, the soldier is in the AIT program at Fort Leonard Wood, Mo., where he has completed basic training.

Miss Risinger attended Granite City High School South.

NEW SCHOOL GRANTS

State School Superintendent Joseph M. Cronin says the state is now accepting applications for grants to improve services to students and to foster solutions to educational problems. A total of \$15.5 million is available to schools for the grants. Application deadline is March 1.

from storeroom to storeroom for years since then," Davis related.

After checking several days on the safest means for disposing of the acid, it was decided to remove it in a truck of sand to a site on Granite City Steel property near Route 162 and the railroad tracks.

There, Granite City Detective Kip Pomeroy, a rifle marksman, shot it from about 100 yards and the two bottles exploded on the first shot with a loud bang and a greenish smoke.

Fire Chief Don Farente said the two bottles, one containing about 16 ounces of the powder and the other about four ounces, were handled carefully prior to the detonation. They were carried in buckets of sand from the laboratory to a school dump truck filled with sand.

About 60 students in the wing nearest Grand Avenue were moved to another

wing during the operation.

The bottles then were taken to a field near the steel company's new wastewater treatment plant, were set upon a hill of dirt and a bucket and were shot.

"We did not know if they would explode. We were told the acid needed some kind of detonation, but the shot worked. If they had not exploded, the EPA was going to send us a neutralizer and we were going to bury the bottles. Fortunately, that was not necessary," Davis explained.

After the chemical had been removed from the school, principal James Dumont made a general announcement on the public address system to explain why the fire trucks and police cars had been at the school. Students were told a dangerous chemical had been found and disposed of.

caused them to be conducted at several locations instead of one, Kramer noted.

District Eight Engineer Dale Klorb said the Collinsville site is the most economical of three recommended to

the state by a five-citizen panel, and that it will be only slightly harder to reach for present employees. It is near the future site of the Interstate 270 extension.

Warmer weather due

Warmer weather with temperatures reaching into the low 50s Tuesday was forecast today on the heels of last week's ice storm which gave motorists a difficult time for several days.

Freezing rain hit the Quad-City area Thursday af-

ternoon, slowing traffic to a crawl and resulting in numerous accidents, most of them minor. Temperatures dropped to 15 above zero Thursday night and early Friday.

The National Weather Service predicted con-

siderable sunshine today with the mercury rising into the 40s, followed by partly cloudy weather tomorrow, with a high in the 50s.

Cooler weather is due by Thursday, with the low dropping to the low 20s and the high in the 30s.

Winifred Barnes, 60, of 1150 Rhodes St., suffered burns to the face and eyes at 7:10 p.m. Thursday when a battery exploded in his face while he was attempting to start a vehicle using cubes.

He was treated at St. Elizabeth Hospital, where his eyes were irrigated and he was released.

Within a short period of time Thursday, five people were treated in the hospital emergency room for falls on the icy pavement.

The five ranged in age from 16 to 57 years old and included four men and one woman. All sustained injuries to the back, arms or legs and were released after treatment.

3 hurt on McKinley Bridge

Three young men from Missouri were injured when their car struck a divider on the Venice entrance ramp to McKinley Bridge at 2:25 a.m. Sunday.

Taken to St. Elizabeth Hospital were the driver, Darrell Watkins, 21, and two passengers, Kenneth Cobb, 21, and Dean Payne, 20, all of St. Louis.

Payne, who said he lost consciousness for a time, was admitted for observation with scratches to his right forearm and pain to his head, neck and right knee.

Cobb also was admitted for observation of head injuries. Watkins suffered an abrasion to his right knee and a bump to his nose and was released after treatment.

Man is shot accidentally

Albert Hughes, 48, of 2717 Roosevelt Ave., suffered a bullet wound to his right thigh when a gun he was using to practice "fast drawing" discharged at his home at 3:35 a.m. Sunday.

Hughes told police he did not think the gun was loaded. A .22-caliber magnum bullet entered his right hip and lodged in the rear of his leg about four-inches above his knee. He was taken by Granite City ambulance to St. Elizabeth Hospital where he was admitted for surgery.

Warrant arrest

Charles A. Ray, 32, of 3226 Westchester Drive, was arrested at 11:45 a.m. Friday after his car and the auto of Earnest Goddard, 2550 Iowa St., collided as both drivers were backing out of driveways on opposite sides of Iowa Street.

Police found a warrant was on file for Ray's arrest alleging unlawful possession of a controlled substance. Ray appeared before Circuit Judge William L. Beatty in Granite City and was released on \$200 cash and a \$2,300 recognizance bond at 1:40 p.m. Friday.

Elections

(Continued from Page 1)

members of its five-man park board in April, as will voters of the Venice Park district which is located within the boundaries of the city of Venice.

In past years, under an ordinance enacted by the Granite City Park Board, its elections have been held on the third Tuesday of April, at the same time Venies, Madison and Pontoon Beach elections are held. The Venice Park district holds its elections on the first Tuesday of the month on the same day as the Granite City elections.

In Granite City, Third Ward Alderman Clyde Boyd has said he will not be a candidate for re-election, a factor that is certain to guarantee an active bid for that aldermanic seat.

City Clerk Robert Stevens said Friday that petitions forms are available in his office and that Willard Hering and Paul Fisk have obtained petition blanks for the Third Ward post.

Everett Morien, incumbent alderman in the First Ward, has obtained petition forms. Stevens said petitions also have been picked up by Mrs. Margaret Nann of the Fifth Ward and by Ronald Coleman of the Seventh Ward.

Alderman Sam Whitmer of the Second Ward, Warren Decatur of the Fourth Ward and Earl Baker of the Sixth Ward have indicated they will seek re-election to their respective ward seats on the City Council.

Other members of the Granite City Council whose terms do not expire in 1979 and will remain in office for

another two years are Charles Douglas of the First Ward, Fred Schuman Jr. in the second, Roy Poulos in the third, Glen Sprankle in the fourth, Lloyd Bailey in the fifth, Gerald Tarmley in the sixth and Paul R. Bowler in the seventh.

Voters will choose four aldermen in Venice, all for four-year terms. One of these will be to fill a vacancy created by the resignation last week of Thomas Voegelé, alderman of the First Ward. Other Venice aldermen whose terms will expire next year are George Mangiaracino of the Second Ward, George Lewis of the Third Ward and Oscar King of the Fourth Ward.

Venice also will elect a mayor for a two-year term as the result of the resignation of Mayor William "Mike" Ebersoldt, who announced his retirement last week for health reasons. Mayor Ebersoldt has served two years of the term to which he was elected in 1977. The council is expected to fill the mayor's office by appointment until the April election.

Earl Hogan, a member of the Venice District 3 Board of Education, has announced he will be a candidate for election as alderman in Ward One at Venice, seeking the post that was resigned by Voegelé.

Hogan worked more than 10 years as a truck driver for the Venice Street Department and now is employed at American Can Co. in Madison, five aldermanic posts

will be filled, including that of Ronald Grzywacz, former alderman of the Third Ward who left the council earlier this year following his indictment by a federal grand jury. Others whose terms expire in Madison are Alderman Paul Ashford of the First Ward, William Gushlee, Second Ward, Mike Sikora in the fourth and Don Garrett in the fifth.

The Pontoon Beach Village government is sure to undergo a major change as Village Board President Floyd David Moss is not planning to seek re-election and a majority of the board seats will be determined by April balloting.

The term of Village Clerk Mary Warren also is expiring. Trustees expected to seek new terms are Loren Madison, Duane Skinner and Keith Biggs.

Trustee Paul Bennett, who was elected to a four-year term in 1977, will continue on the board, either as a hold-over trustee or as village board president. He has announced he will seek the president post in the April election and is believed to be forming a ticket.

The other hold-over trustees are Donald C. Rea and Raymond Gaudette Jr.

There is speculation several candidates, besides Bennett, may seek the president post. A committee has been formed to encourage Donald Patrick to run and he is expected to announce his decision in the near future.

Multipliers

(Continued from Page 1)

of \$26,573,770 would be raised by the township's multiplier of 1.1029 to a new total of \$29,475,625.

Current estate values in Venice township of \$17,157,610, would be increased by that township's multiplier of 1.0857 to a total of \$18,628,017.

The township multiplier for Chouteau township would raise the current real estate assessment of \$13,066,610 to a new total of \$13,462,528.

Personal property valuations still in effect for the 1978 tax year will be added to the real estate values after the

multiplying factors are applied.

Assessment ratios are based on real estate sales which are used to determine full cash value of real property. Under state law, assessment ratios for taxing purposes are supposed to reach 33.33 percent of the full cash value.

When the assessment ratios do not necessarily mean an increase in the tax bill, it does permit higher taxes in instances where tax rates have been limited by statute and the tax agencies have not been receiving the full amount of revenue allowed by statutes.

Funeral services were held Saturday at an East St. Louis funeral home for Denzie Tyler, 93, of 319 Weaver St., Venice, Tenn. He died Monday, Dec. 4, in Barnes Hospital where he had been a patient 10 days.

Mr. Tyler was retired at General Steel Industries where he worked 30 years. He was a member of Jerico Lodge No. 129.

He is survived by one daughter, Mrs. Paula Johnson of Madison, two sisters, Mrs. Cassie McCall of Kodak, Ky., and Mrs. Tennessee Tyler of Alabama, and one grandchild.
Burial was at the Sunset Gardens of Memory, Millstadt, Ill.

Arrest driver

Stanley L. Cuvor, 26, of 2620 Terminal Ave. was charged with careless driving and disorderly conduct after his auto allegedly struck and tore down about 40 feet of chain link fencing at the home of William Hoppe, 2815 Edwardsville Road. Police said Cuvor's south-bound auto went off the pavement of Alexander Avenue near Edwardsville Road and struck the fence. When police questioned the driver, he allegedly refused to answer questions and got out of his car and yelled profanities at officers.

Calendar advertisers

GRANITE CITY — Advertising sellers from the School Calendar Co. of Morrisville, Tenn. will be contacting Granite City merchants in the near future concerning placing ads in the annual CCHS South baseball calendar, according to South Principal James Dumont. Dumont states that the school has been associated with the company for a number of years and that merchants should be confident the school does back the project.

ERROR IN ARTICLE

This newspaper erroneously referred to a dissolution of marriage in the Dec. 7 issue. On the request of Leo Joseph Six and Peggy Ruth Pasley Six on Feb. 17, a Jan. 10 judgment of dissolution was rescinded thus reinstating the marriage. Court records related to the two orders had become separated at Edwardsville. The Press-Record regrets the error.

Roses red, violets blue, so are license stickers

"It's blue on the left, red on the right, but if it's switched, don't be uptight." That's the message Secretary of State Alan J. Dixon is giving Illinois motorists regarding their new, multi-year license plates and the sticky problems those little blue or red validating stickers are causing.

"The majority of Illinois motorists are getting the stickers — blue in the upper left or red in the upper right — in the proper corner of the rear plate," Dixon said. "But others might be confused."

Because of possible confusion, Secretary Dixon said that law enforcement officials have indicated they will merely remind the motoring public of proper sticker placement when discrepancies are noticed.

"Law enforcement officials especially will not ask the motorist to remove the stickers," Dixon said, "because the theft-proof stickers would only chip off in little pieces and would be destroyed."

Some motorists evidently think they don't have to put the sticker on the plate until the month it expires in 1979 or 1980. This is not true.

"The sticker must be displayed immediately, when the plates are put on the automobile," Dixon said.

The sticker is attached to the back of the vehicle license identification card when received in the mail.

Any motorist who loses the sticker must purchase a replacement through the secretary of state's office in Springfield.

"Now that new plates are being sold (since Dec. 1) through banks and some state facilities, some motorists who ordered special plates by mail are expressing concern because they haven't received their plates," Dixon said.

"There are some delays caused by these special handling problems."

"We are taking special pains to enclose the proper blue or red sticker with each pair of plates to reduce complications and still allow motorists plenty of time to place the sticker and plates on vehicles prior to the display, deadline," Dixon said.

At state police and other law enforcement officials are cooperating beautifully," Dixon said.

"No sticker at all is another matter," Dixon said. "I have noticed some new plates on automobiles which have neither the blue nor the red sticker displayed on the rear plate."

Health committee to elect, view ambulance services

A demonstration on ambulance services and election of officers are the principal items on the agenda at a meeting of the Madison County Local Impact Committee of the Greater St. Louis Health Systems Agency (HSA) to be held tomorrow, Dec. 12, at 7 p.m. in Meeting Room B of Alton Memorial Hospital, located on Memorial Drive in Alton.

The meeting is open to the public and is free.

Charles Davey of the Davey Professional Ambulance Service will present a demonstration

about the ambulance service he heads, and will also talk about emergency medical services from an ambulance director's perspective.

In addition, officers of the committee for the coming year will be elected. A slate is being proposed by an ad hoc nominating committee headed by a Local Impact Committee member, Milton Morris.

For further information on the meeting, Quad-Cityans may contact Ralph Vennin of Wood River, the chairman, at 254-5613 or Joe Mueller of the HSA at 314-241-5810.

Plan unit to hear rezoning plea for industrial tract

The Granite City Plan Commission will meet at 1:15 p.m. Thursday, Dec. 14, to consider a request from Illinois Power Co. that 427.2 acres northwest of Route 3 and West Pontoon Road be annexed with business and manufacturing zoning for industrial purposes.

Illinois Power plans to make the land available for business and manufacturing firms, possibly including Japan's Nissan Co. for construction of a 3,000-employee plant to produce Datsun automobiles. The tract is among several considered by the company.

However, officials indicated, the land will be offered for industrial development, even if Nissan decides against that location for its United States plant. Sites in five states are said to be under study for the Datsun plant.

Attorneys from the

Lueders, Robertson & Konzen law firm are expected to brief the Plan Commission on plans for developing the property. Zoning sought include M-3 for heavy industrial use, as well as a B (Business) classification.

Since all property annexed into the city is automatically zoned R-1 for residential purposes, rezoning at the time of annexation is being requested.

The Plan Commission, which meets at 2301 Adams St., then will make a recommendation to the Granite City Council, which must act on the official requests for annexation and rezoning.

Also on next Thursday's Plan Commission agenda is a request from Larry Doty, 2459 Benton St., for C-1 commercial zoning at that address to operate a health and physical fitness training center. The property currently is under a non-conforming use classification, since its use as a market predates the city's zoning ordinances.

The regular meeting of the Granite City Board of Appeals, scheduled for Wednesday, Dec. 13, has been cancelled due to a lack of business. The next meeting will be in January.

Judge Johnson to speak at Explorer meet

Circuit Judge William Johnson of the Third Judicial Circuit, will be the guest speaker Wednesday at 8 a.m. at a meeting of Explorer Post 10-4 in the Madison City Hall.

Judge Johnson will explain the court system and answer questions on police and juvenile rights under the law.

Any area young person between the ages of 14 and 21, and area police officers are welcome to attend the meeting, according to William Kinkel, president of Post 10-4.

SEE GROWING BEAN SALES IN MIDEAST

The next five years will see a sharp and steady growth of soybean markets in the Middle East, according to Ed Quinones, regional director of Middle East programs for the American Soybean Association.

Mathias on bus fare study panel

Formation of an ad hoc committee to review and make recommendations concerning Bi-State transit financing was announced Thursday by the Regional Commerce and Growth Association.

William E. Maritz, executive vice president of Maritz, Inc., will be the chairman.

Others who have agreed to serve are James M. O'Flynn, RCGA president, committee vice-chairman; Harry B. Wilson, chairman of the board, Fleishman-Hillard, committee secretary; K. Dane Brookhiser, managing partner, Peat Marwick Mitchell & Co.; Robert Keiser, president, St. Louis Labor Council, AFL-CIO. Also, C. E. Kuldell, executive director, Council of Contractor Associations; Carl Mathias, Granite City service area manager, Illinois Power Co.; Wayne L. Millap, attorney; Mrs. Esther Phillips, Home Federal Savings & Loan Association.

And Mrs. William G. Phillips, John H. Poelker, assistant vice president-special projects, J. S. Alberici Construction Co.; Dr. Donald M. Suggs, dentist; and George H. Walker III, executive vice-president, Stifel, Nicolaus & Co.

It is possible others may join the committee later. The committee met Thursday and agreed there would be no public announcements until it is in a position to issue a report and make recommendations.

The group was formed as a

result of the RCGA's offer Dec. 1 to help resolve a controversy over bus fares, service and funding of the Bi-State Development Agency.

A basic fare of 25 cents is continuing until April 1, after which it may be increased in some areas unless an overall income-expenditure balance can be achieved.

2 hurt in crash

The cars of John Wallace, 20, of 611 Filmore Ave., Venice, and Thessalonika Buntun, 37, St. Louis, collided at 16th and State streets last week, resulting in injuries to both drivers, who were taken by ambulance to St. Elizabeth Hospital.

Mrs. Buntun was issued a ticket alleging failure to yield the right-of-way at a stop sign. She was treated for pain to her neck, chest and left upper leg and was released after X-rays were taken.

Wallace suffered a cut to the back of his head and was released after emergency room treatment.

LOOT PARKED CAR

The auto of Gerald Christ, 4075 Breckendridge Lane, parked at Granite City High School North, was entered and an in-dash radio, a tape player, a set of jumper cables and the knobs from both door locks were taken. It was discovered last week.

Amendment would allow recall of public officials

The Coalition for Political Honesty last week, proposed a constitutional amendment to subject every state and locally-elected official, including judges, to the power of recall.

The amendment is to be introduced in the General Assembly in January.

The recall amendment, drafted by the Coalition and modeled after Wisconsin recall power, is intended to be a direct mechanism for voters to "make politicians accountable for their behavior after an election."

Under the recall amendment, all officials would be subject to a recall election upon the petition of 25 percent of the number of votes cast in the preceding gubernatorial election in their electoral district.

Several legislators have expressed an interest in the proposed recall amendment, including Sen. Prescott Bloom (R, Peoria).

Patrick Quinn, Coalition

secretary-treasurer and the only member of the Governor's Salary Study Commission who voted against all salary increases, said recall power is a "ballot-box method for voters to remove politicians who lie, deceive and mislead."

"The politicians who schemed and colluded to raise their pay to incredibly selfish levels have made a mockery of their election promises to cut wasteful spending," said Quinn.

"Voters need recall power to protect themselves against politicians who put their own financial interests ahead of the public interest. Hard-pressed Illinois families can use recall power to teach insensitive officeholders that politicians exist to serve the people, not vice-versa." He is a former aide to ex-governor Daniel Walker.

He said introduction of the recall amendment will mark

the first time in state history that the Illinois General Assembly will face such an issue. Thousands of municipalities and 11 states have recall, including Wisconsin, Michigan, Kansas and North Dakota, Quinn said.

He added that if the General Assembly fails to adopt his recall amendment, "Article VII and Article XIV of the State Constitution offer voters an opportunity to establish recall for local officials and state legislators by direct petition and referendum in the 1980 election."

CONFISCATED WEAPONS kept in evidence at the Madison County Sheriff's Department during the past administration were shown by the new sheriff, Emil Toffant, this week. Toffant noted many of the weapons have been kept in evidence several years and said he feels most should be disposed of or sold. The evidence

room is full of racks of guns, drawers full of handguns and piles of assorted stereos, radios, and other evidence. Departmental rules prohibit anyone but evidence officers from entering the evidence room, so an officer took this photo for the Press-Record.

PILED HIGH, an estimated 200 to 300 bicycles are crammed into an evidence room in the Madison County Jail at Edwardsville. "You couldn't find a certain bicycle in there if you had to," new sheriff Emil Toffant stated, pleading he plans to determine the best legal way to dispose of bicycles no longer needed for evidence, possibly

by a public auction, at which stereos, electronic components and other evidence, including guns, may be offered. Toffant said every effort is being made to clean up and organize the facilities of the sheriff's department in preparation for the opening of the new county jail. (Press-Record Photos)

Special waste hauling rules

The Illinois Environmental Protection Agency last week received word that its proposed special waste hauling regulations have been approved for publication by the Illinois Pollution Control Board.

For 60 days, the Illinois Pollution Control Board will accept, in writing, questions or comments on this matter. "Special waste" as defined in the regulations includes pollution control waste and any industrial waste or hazardous waste.

The new waste hauling regulations require a permit system for all haulers of special waste, a manifest program, and a record keeping and reporting requirement intended to ensure "cradle to grave" control of all special wastes generated by the 20,000 manufacturers that are sources of industrial waste in Illinois.

Chapter 9, special waste hauling regulations, as approved for publication by the Pollution Control Board,

will not be finalized until the end of the 60-day public comment period. All requests for copies of the new regulations have been addressed to: Illinois Pollution Control Board, 309 W. Washington, Chicago, Ill. 60606.

When the new special waste regulations are fully implemented, the Illinois Environmental Protection Agency will be able to pinpoint who and where special waste is generated, and to ascertain whether this waste is being taken to an Illinois EPA permitted and approved landfill, storage site or treatment facility.

In 1976, the known special waste disposed in approved and permitted landfills in Illinois exceeded 2.2 million tons. However, it is estimated that about 14 million tons of special waste is generated in Illinois.

Gift wrapping demonstration reset Thursday

Due to freezing rain Thursday, the Granite City Park District canceled its Christmas Gift Wrapping Ideas demonstration, rescheduling the event for Thursday, Dec. 14, from 7:30 p.m. to 9 p.m.

The demonstration will take place at the Nameoki Recreation Center, Amos and Franklin avenues.

Persons having registered for the Dec. 7 session may attend this week's program without registering again.

Between 90 and 100 people had signed for the free class, which will feature using yarns, ribbons and inexpensive items found around the house to wrap holiday gifts.

Michelle Bigham of Edwardsville will conduct the demonstration.

Seniors host dinner meet

The Tuesday Senior Citizens' Club held its annual Christmas party Tuesday following a brief business meeting conducted by the president, Mrs. Kathryn Smithson.

Dinner was served to approximately 76 members and five guests. The tables were decorated with red placemats, napkins and holly.

Nut cups were filled with red and green candies. There was a lighted Christmas tree and a large Santa Claus to help decorate the room.

The invocation was given by Mrs. Ella Wade. The table decorations were furnished by Mrs. Pauline Canham, assisted by Mrs. Nora Williams.

Guests included Mrs. Grace Leary, Mrs. Florence Braden, Mrs. Lester Thiele, Norman Rensing and Abner and Louis Branding.

The afternoon was spent playing cards and many prizes were given.

Neglect, abuse of children at record levels

SCHOOL BUS STRUCK
There were no injuries when an R. W. Harmon & Sons school bus carrying 35 school children was struck from behind by the auto of Lisa Kee, 17, of 2566 Ivy Lane, on Maryville Road south of Morrison Road last week. Miss Kee was issued a ticket for failure to reduce speed to avoid an accident. She said she dropped a lighted cigarette and when she picked it up and looked up, it was too late to avoid the bus, stopping in front of her car. Patricia E. Gant, 217 Greenway Drive, was the driver of the bus.

A record 13,453 cases of suspected child abuse and neglect were tallied in Illinois during fiscal year 1978 (July 1977-June 1978), with Madison County (No. 6 in population) second only to Cook County in the number of cases.

According to Margaret Kennedy, director of the state Department of Children and Family Services, reports increased 46.5 percent over the previous year. She predicted that more than 20,000 reports will be filed with DCF in fiscal year 1979, which began July 1.

Miss Kennedy's remarks accompanied last week's official release of the department's fiscal 1978 child abuse and neglect statistics.

For the first time, in fiscal year 1978 the reports from Downstate counties outnumbered reports from Cook

County — 7,579 to 5,874.

Abuse reports were up in all categories, including neglect, sexual abuse, multiple injury, and beating, multiple injury, and sexual abuse continue to head the list. There also was a sharp increase in reports involving the poisoning of children — from two in 1977 to 11 in 1978.

Seventy-five youngsters are known to have died from abuse during fiscal year 1978 — 25 more than the year before. Approximately three-fourths of the victims were under age three.

Of those professionals mandated by law to report, teachers, law enforcement officials and medical personnel accounted for the majority of reports.

Illinois enacted its first child abuse law in 1963. In 1966, DCF received 483 reports of abuse. By 1973, the number of reports had grown to 1,160 and in 1978 the total was 13,453.

"The massive growth in the number of reports stem from changes in the state's reporting laws in 1973 and 1975, coupled with a number of public awareness campaigns following the changes," Miss Kennedy said.

In 1973, persons required to report were expanded from physicians and hospital personnel to include teachers, law enforcement officials, Illinois Department of Public Aid caseworkers, day care center staffs, social workers, and others who come into contact with children as part of their professional activities.

In 1975, a neglect category was added, and the maximum age of children covered by the law was raised from 16 to 18. These additions led to increased reports of child mistreatment.

The same year, legal immunity was extended to include all persons who report suspected incidents of abuse and neglect. Previously, only certain professionals were granted this protection, Miss Kennedy explained.

She said reporting of abuse and neglect cases accelerated sharply during the final quarter of fiscal 1978, and this increase has continued into the current fiscal year.

"A \$5,100,000 supplemental appropriation now before the General Assembly is in response to this trend," she said. "The new funding will strengthen the department's ability to initiate an investigation within 25 hours of receipt of each report, as required by law."

Flu inoculations for ill and aged

It's that time of year when virus infection, including influenza, occurs in various geographic areas with consequences from mild upper respiratory infection to pneumonia or death.

In a span of 10 years (1968 to 1978) more than 150,000 excess deaths are estimated to have occurred during epidemics of influenza A in the United States.

Evidence shows that influenza-related deaths are primarily among chronically ill adults and children and among old people (over age 60).

Influenza goes under many names — Hong Kong flu, China strain, Russian strains.

Strains of influenza A are found more frequently than influenza B, but influenza B can also cause death.

The Center for Disease Control (CDC) of the United States Department of Health, Education and Welfare, in Atlanta, Ga., recommends annual vaccination for all persons at increased risk of adverse consequences from infection of the lower respiratory tract.

This statement appears in the November issue of the Annals of Internal Medicine, the official journal of the American College of Physicians, the national professional association of more than 40,000 specialists in internal medicine and related areas.

Some people suffer adverse reactions to the vaccine.

The influenza vaccine of 1978-79 has been associated with few side effects. It consists of inactivated trivalent preparations of three strains expected to be

prevalent (A-USSR-77 (H1N1), A-Texas-77 (H3N2), and B-Hong Kong-172).

There are three types of systemic reactions to influenza vaccines:

(1) Fever, malaise, myalgia, and other systemic symptoms of toxicity.

(2) Allergic reactions due to sensitivity to some vaccine component.

(3) Guillain-Barre Syndrome (ascending paralysis).

According to the CDC, there is no evidence to suggest that influenza vaccination of pregnant women poses any special maternal or fetal risk.

DIVIDEND DECLARED BY ILLINOIS POWER

Illinois Power Company last week announced the 127th consecutive quarterly dividend on its common stock. The action was taken by the firm's board of directors, which declared a dividend of 57 cents per share on the common stock of the company.

The board also declared regular quarterly dividends on cumulative preferred stock. The dividends are all payable Feb. 1 to stockholders of record on Jan. 10.

Holiday party of Madison Ladies Democratic Club

The Madison Ladies' Democratic Club held its annual Christmas party Wednesday at the Fireman's Hall in Madison.

Cocktails were served and there was a buffet dinner, catered by Tom and Dorothy Voloski, with 40 members and guests attending.

A poinsettia centerpiece was presented to the president from Mayor and Mrs. Mike Sasyk. The hall was decorated in a holiday theme.

Following dinner, Santa presented gifts to the ladies. Members were asked to remember Sophie Derber, who is in the Granite City hospital, recuperating from surgery.

The remainder of the evening was spent singing Christmas carols and dancing to the music of David Hyllas' band, "The Good Times."

Hostesses for the evening were the club's officers.

Attending were Vera and Mike Sikora, Frances Baker, Joseph Knezevich, Rose Lake, Elizabeth Yankoff, Frances Trotts, Julia Goclan and her guest, Mary Reeder, Vickie Eckels, Maxine and Christ Costoff, Molly and Joe Besserman, Minnie and Carl Brauer, Helen and Steve Knezevich, LaVenna Harris, Ida Dant.

Joanne Wilkins, Cynthia and James Healy, Joana Manning and guest, Anna Mokie, Marie and Hilbert Hoekstra, Doris Neff, Pat Westwood, Zella and Richard Niehaus, Blondie Dillon and guest, Louise Riggs, Rose Martynow, Mary Rogenski and Mayor Mike Sasyk and his wife, Winnie.

'Give-A-Can' drive Saturday

The Lions Club of Pontoon Beach will hold its third annual "Give-A-Can" drive Saturday, Dec. 16, beginning at 1 p.m.

The Lions, Lionsesses and Boy Scouts will go door-to-door throughout the village collecting canned goods which will be distributed to needy families at Christmas.

The Lions will begin their drive in Lakeview Estates, going to Quiet Valley, Glenn Meadows, Village Green and ending in the Gaslight Walk Apartments. The Give-A-Can drive is being promoted as a community service project.

"Assistance begins at home," Pontoon Beach Lions Club President Larry J. McKee said. "And the goal of this project is to help those in Pontoon Beach and surrounding Nameoki Township areas have a brighter and happier holiday."

After the canned goods are

gathered by the Lions, Lionsesses and the Scouts, it will be turned over to the Pontoon Beach Nameoki Township Office of Co-Ordinated Youth Services (CYS) to be distributed to local needy families in the community and surrounding area.

Last year the Lions collected over 800 cans and the CYS office distributed food, clothes and toys for over 25 local needy families.

The Lions also will be assisted by Schermer's Market and Leroy's A&J Market of Pontoon Beach. Persons interested in obtaining information for themselves or would like to recommend a family in need, may call the Pontoon Beach Nameoki Township office of CYS at 931-2700, Monday through Friday from 9 a.m. to 9 p.m.

All information received is kept on a confidential basis.

BURNS AND BONO, a variety show group, will appear this week at the Corral Lounge, 3304 (rear) Nameoki Road. "Burns and Bono have found popularity in many age groups," Corral Manager Ralph Thompson said. "The entire group will appear during this engagement and it promises to be an exciting group." The last time Burns and Bono appeared at Corral health problems prevented some group members from performing, he said.

Christmas play at St. Peter's

At 7 p.m. Sunday, Dec. 17, a play will be presented at St. Peter Church, 2103 Cleveland Boulevard, by the church school children, entitled "The Gift of Christmas."

On Sunday morning, Dec. 24, Church School will be held at 9 a.m. and, at 10:15 a.m., the worship service will begin.

That evening, the annual Christmas Eve service will be presented. Mrs. Nora Courrier, interim organist-choirmaster of St. Peter, will begin the evening with a pre-service musical program at 7:15. Music will include: "Silent Night," "French Noel," "Carols for Flute, Violin and Organ," "Lo, How a Rose E're Blooming," and "Lo, I Bring Tidings."

The St. Peter Choir will be singing during the evening and other special music will include the voices of Karen Sikora, soprano; Patty Talbert, contralto; Frank

Talbert, tenor; Linda Watson, alto; and Cliff Mason, baritone. There will be instrumental solos by Martha Campbell, flautist, and Lynn Courier, violinist. "But Mary kept all these things, pondering them in her heart," will be the subject of the Christmas message to be delivered by the Rev. William G. Chrystal, pastor.

Religious carols will be sung during the evening and the traditional "service of lights" will be held, followed by the benediction and recessional, "Joy to the World."

CONCERT TONIGHT The first in a series of four seasonal concerts by the Granite City High School North Concert Band will be held today at 8 p.m. in the auditorium on the South campus.

Business Women seek 'Volunteer of Year'

Nominations are now being accepted by the Granite City Business and Professional Women's Club for the 1978-79 Volunteer Woman of the Year Award.

Mrs. Lois Wetton, BPW president, said the award program will afford recognition for contributions made in community service by volunteer workers.

Those nominated do not have to be affiliated with the business women's group, which is only sponsoring the program, Mrs. Wetton stressed.

Letters concerning can-

didates may be sent to: Public Relations Committee, 2465 Lynch Ave., Granite City, Ill. 62040.

Information relating to the nominee may be accompanied by supporting letters from the group in which the person is involved. Deadline for nominations to be submitted is Jan. 15, 1979.

The winner will be announced at the March 21 dinner meeting of the local business women's club, Mrs. Wetton said.

Mrs. Florence Moore is public relations chairman.

Role of state-federal Job Service outlined

Utilization of the Job Service, 1820 Cleveland Boulevard and 25 Nameoki Village Shopping Center, was recommended at the December dinner meeting of the Tri-Cities Area Chapter of Commerce board of directors.

Speakers were Marcus Crisman, Job Service representative based at the Cleveland address, and Robert E. Schantz of the Work Incentive Program. Schantz is based at Nameoki Village.

Job Service is operated jointly by the Illinois Department of Labor and Illinois Bureau of Employment Security. It seeks to link firms needing employees with persons seeking work, it was explained.

In addition, the Service counsels firms on mandatory job listing, equal employment opportunities, affirmative action, posting requirements, use of veterans, fair labor standards, job safety and health and fair labor standards.

Many of the services are federally-funded and state-administered.

It was noted that under the Work Incentive Program, which aids persons in not-easily-employed categories, substantial reimbursement of wages is provided by the government. Dale Arnette served as program chairman.

First Vice-President Kenneth Evers presided at

the meeting, held at the Granite City Army Installation.

A report by Carl Mathias, Industrial Development Committee chairman, noted that development of new industrial parks is being encouraged in this area, but that procedures outlined in new federal air quality requirements may block new plants in many areas of the U.S.

Spring clean-up plans and development of recognition awards for community service were discussed by Lacey Randolph, Community Pride Committee chairman.

As part of the activities of the Public Relations Committee led by Eugene Alassi, the Chamber's four-decade historical slide program is being shown to many local organizations, it was related.

Also submitting reports were Mrs. Lois Winter, president of the Women's Division of the Chamber of Commerce, George T. Wilkins, St. Educational Committee chairman, and Mrs. Mary Jessee, representing the Ambassadors.

The 1979 golfing "play day" of the Chamber is being arranged for June 3 at the Sunset Hills Country Club.

Democratic Club to install Melton

The next regular meeting of the Granite City Democratic Club is to be held Wednesday, Dec. 13, at the Knights of Columbus hall, 21st and Edison. The business meeting will start promptly at 8 p.m.

Subject to the meeting will be organizational matters, and there will be installation of new officers, as follows:

Dewey Melton, president; John Chomoko, vice-president; George Michael Kayich, secretary; Nelson Dunlap, treasurer; and Bill Harrison, Mrs. Norma

Mendoza and Andy Timko, directors.

Members who plan to attend are being requested to bring an item or two of canned good to help provide Christmas baskets for the needy in this community.

The club will buy and donate a turkey for each basket filled.

Following the meeting, refreshments will be served. "Bring a friend and join in the fellowship and Christmas spirit of new and old fellow Democrats," Kayich is urging.

Book fair held at Maryville School

The Maryville School will sponsor a book fair this week.

A poster contest was held advertising the fair. The two winning posters will each be awarded books worth \$10 for their room.

The winners were: Ronald Labordy and Barry Davis of the third grade, and Ricky Boyett of the sixth grade. The poster contest was judged by Eugene L. Alassi, district art education consultant.

The book fair is held in conjunction with the School Book Fairs, Inc.

The PTA uses the profit from the sales for the Christmas Assembly and various PTA activities for the benefit of the children.

ARREST IN CLASS

A 15-year-old boy was arrested at Granite City High School North at 2 p.m. Friday after he allegedly opened a metal container of marijuana in an English classroom and was seen by the teacher, who called a school monitor.

Assessor asks to locate offices in GC city hall

A proposal that the township assessor's offices be relocated in the city hall space now occupied by the Granite City Police Department after the new police station is occupied is to be studied by the Buildings Committee under action taken last week by the Granite City Council which convened at the Town Board.

The request was made by Van Dee Cruse, Granite City Township assessor who has made repeated requests that he be given more space than is now available to him in the Township Building at 21st Street and Delmar Avenue.

When the new township building was completed a year ago, Cruse at first refused to move his offices there, contending there was insufficient space and lack of privacy for interviews with taxpayers. He later occupied offices in the new building.

In a letter addressed to the Town Board last week, Cruse said that since the office of department will be vacating its present quarters in the city hall next spring, upon completion of the new police station building, he would like to occupy that space.

because it would be sufficient for his needs.

The proposal brought objections from some aldermen, however, several of whom protested that there are a number of city offices that now need more room. Alderman Paul R. Bowler said he wanted to move the city engineering offices from the present location at the City Building at 2301 Adams St. into the police department area after it is vacated.

Bowler also raised the question as to whether the city legally could provide space for a township office since the city and township are separate entities.

Alderman Clyde Boyd told the board, "I have checked the assessor's offices and they have a space problem. I think that by providing partitions, it would answer their purposes. I think we should give it to them."

Alderman Gary Sprankle said he and Alderman Warren Deatour also had checked into the problem.

"They are entangled down there," Sprankle said, noting there would be no cost to the city if the assessor's office were to occupy the city hall space. "I think we should give them the space," he said.

Deatour emphasized there was no need to make an immediate decision.

Alderman Lloyd Bailey said that while a decision was not necessary during that meeting, "The man would like to have an answer."

Alderman Sam Whitmer said he believed the Town Board should consider charging the township rent if the assessor's office was moved into the city hall. "This is a city building and certainly we wouldn't be responsible for any remodeling cost," he said.

Alderman Ronald Coleman said no action should be taken until a survey can be made as to how many city departments are in need of space. He noted the city engineering department is "jammed" into the city building and that workers have no privacy.

Coleman suggested that after the study is made a series of priorities should be established for needs of office space.

On a motion by Sprankle, the board referred the matter to the Buildings Committee for a report and recommendations.

NICKY CRUZ CRUSADE in the Granite City High School South gymnasium attracted several hundred persons Thursday and Friday evenings despite bad weather. Cruz, standing behind microphone at the right, was a former

gang leader and the principal character of the movie and book "Cross and the Switch Blade." Several area ministers are seated at the left.

Joins Trust Bank staff Award contract for police parking lot

Dan Debert has joined the staff of Granite City Trust and Savings Bank as assistant cashier, supervisor of the Customer Service Department. It was announced today.

Debert, had been associated with the Lewis and Clark Mercantile Bank of St. Louis County. He attended Missouri University at Columbia, Mo., and is a graduate of the School of Banking at Louisiana State University. During his banking career he received three certificates from the St. Louis chapter of the American Institute of Banking.

Presently he is living in St. Louis with his wife, Martha, and son, Danny. As soon as he can find a home, Debert will move his family to Granite City.

A contract for construction of a parking lot at the new Granite City police station now under construction at Madison Avenue and 23rd Street was awarded by the City Council last week to C.D. Peters Construction Co. on a low bid of \$64,445.

The firm was the lowest of four bidders whose offers were opened at the office of City Clerk Robert Stevens prior to the council session. In addition to the Peters firm, bidders included Kamadulski Contracting Co., \$45,689; M.H. Wolfe & Co., \$58,479, and Paul Seebold Construction Co., \$61,904.

David Nolan, city project coordinator, recommended the council approve the Peters offer.

Nolan said the parking lot will be 120 by 200 feet and will provide parking for 40 cars on the lot and two spaces for handicapped persons closer to the building entrance.

Cars will enter the lot from Madison Avenue and will exit on 23rd Street. A combined entrance and exit will be located on Iowa Street. City Engineer Monroe Brewer told the aldermen the contract is being let at this time to give the contractor an opportunity to complete grading and rock work during the winter. This will permit an early application of the asphalt surface in early spring, he said.

News notes

Printers yesterday approved details of a new contract with the Post-Dispatch, but agreements are still pending with other unions at the strike-bound daily newspaper. The News, one of three temporary papers, has ceased publishing due to financial problems, while the Times and Daily Press continue.

Illinois Attorney General William J. Scott plans to introduce legislation this week providing tax and reimbursement incentives for industries to build high-sulfur coal gasification plants.

Rites today for Mrs. Hutchison

Mrs. Ethel Leslie Hutchison, 74, of Caseyville, a sister of Quad-City residents, died Thursday, Dec. 7, at Memorial Hospital, Belleville.

Survivors include her husband, Lloyd R. Hutchison; three sisters including Mrs. Art (Beulah) Westphal of Granite City and Mrs. Steve (Gladys) Caskey of Madison, and three brothers.

Funeral services were held at 11 a.m. today at a Belleville funeral home.

Arrest in Venice

Jessie "Pokie" Watts Manson, 23, of 820 Webster St., Venice, was arrested in the 400 block of Weaver Street at 6 p.m. Saturday and was charged with theft after five hours worth a total of \$49 were allegedly found in her car's interior.

Officials of Tri-City Grocery, 124 Broadway, Venice, alleged seeing a woman putting hams in her purse on at least two times into the store from her car. Police were called, but she left before officers arrived. A description of her car was given to officers, who found Mrs. Manson a short time later. She allegedly told police she took the hams to get money for Christmas presents.

NOT INVOLVED IN ACCIDENT SUIT John Brusatti, 17, of 2311 Manley Ave., is not the John Brusatti named as defendant in a lawsuit published in Thursday's Press-Record, the family said this weekend.

The suit stems from a June 30, 1978, auto accident and the family noted their son was only 15 at the time and was not involved in an accident. John Heveroh is seeking \$20,000 for injuries he allegedly suffered in the crash.

Manpower rule to hit GC funding

Numerous Manpower workers employed by governmental agencies in the Quad-City area will be dismissed Sept. 28, 1979, and many of them will not be replaced, Daniel Churovich, director of the Office of Manpower Development for Madison and Bond counties, told the Press-Record Friday.

The rule will affect about 500 workers in Madison and Bond counties. Churovich noted that new rules from the federal government which will prohibit replacing any worker earning more than \$10,000 per year may have a major impact on the Granite City Fire Department and ambulance service, all local police departments, the Granite City inspection department and others.

Granite City is using Manpower employees for many EMT-trained ambulance attendants, police dispatcher, the city inspector, street workers and many other jobs paying more than \$10,000 per year. Manpower pays the first \$10,000 and the city pays the difference.

Other police departments, including Pontoon Beach, Madison and Venice, use Manpower workers for dispatchers, and Pontoon Beach has some police officers employed under the program.

The firings are necessitated by federal regulations which limit the amount of time anyone can be employed is limited to 78 weeks in any five-year period.

It is being applied at this time to mean anyone hired to a public service job before April 1978 will be dismissed in September. Those hired in April and thereafter will be employed for their full 78 weeks before being dismissed, Churovich explained.

"We have talked to Mayor Schuler and others and they are trying to find funds in their budgets for the next fiscal year to hire those persons now under Manpower considered essential to their cities," he added.

Some Quad-City customers of Illinois Bell Telephone Company experienced an interruption in service this morning, between 5:45 and 6:30, when tapes were being reprogrammed and a malfunction occurred in the electronic equipment.

Ken Evers, Granite City office manager for Illinois Bell, said the interruption, lasting about 45 minutes, affected only those customers on whose equipment or lines the company has completed work in the past 30 days. Customers who have changed numbers, had new telephones installed or affected systems have been modified for some reason were those affected when the tapes were pulled for reprogramming.

AWARD BANQUET. Kathy Goodrich (left), her mother, Mrs. Dorothy Goodrich, and Sister Mary Thomas, president of St. Elizabeth Hospital are pictured. Kathy was honored at the hospital's Candy Stripper award banquet for her volunteer service of more than 800 hours. Following her high school graduation in June, she was no longer eligible to participate in the Candy Stripper program, but she is studying for a nursing career at Southern Illinois University at Edwardsville.

MAGGIE MOORE accepts a floral centerpiece which was a gift at the local hospital's 1978 Candy Stripper banquet. In addition, she was awarded a 200-hour cap and star, recognizing her voluntary service to St. Elizabeth.

Young volunteers praised

Sister Mary Thomas, president of St. Elizabeth Hospital, spoke at the 1978 annual Candy Stripper award banquet, recalling that "when I first began working at St. Elizabeth, I was in charge of the Candy Stripper program."

Forty young women were honored, including Mary Hagnauer, 1,001 hours in four years, and Kathy Goodrich, who volunteered for 826 hours in three years.

Pat Musick, supervisor, praised the volunteers for giving their time to various tasks and also for organizing fund-raising activities.

Featured speaker at the banquet, Sister Mary Thomas noted that "when I first began working at St. Elizabeth, I knew all the

Honored Candy Strippers included: Mary Hagnauer, Kathy Goodrich, Connie Stawar, Agatha Grabowski, Rita Baker, Linda Hyla, Diane Portell, Diane Wilson, Julie Grider, Kim Bowers, Loretta Heagy, Ruth Emery, Ann Cravens, Tena Norton, Gay Wright, Dana Taylor, Lisa Parker, Maggie Moore, Nancy Griffith, Diane Siler, Rhonda Rea, Donna Headrich, Kathy Belleoff, Tera Brunton, County Bywater, Kim Boedecker.

Richard Craycraft, 67, dies

Richard E. Craycraft, 67, of 2602 Missouri Ave., died at 9:15 p.m. Thursday at St. Elizabeth Hospital. He had been ill one year and in hospital for one day.

A native of Venice, Mr. Craycraft had lived there and in St. Louis before coming to Granite City 16 years ago.

He owned and operated Craycraft's Tavern here, and was a member of the Bartender's Union, Mr. Craycraft was of the Methodist faith and a member of Moose Lodge 272. He is survived by his wife, Mrs. Rena Craycraft; two sons, Richard Craycraft Jr. of St. Louis and Marty Craycraft of Maui, Hawaii; four daughters, Miss Mary Ann Craycraft of Granite City, Mrs. Leon (Beverly) Grubbs, both of St. Louis, and Mrs. Jackie

One hurt in six-car crash

Only one driver was injured when six vehicles collided on ice at the viaduct south of Second Street in Madison at 4:05 p.m. Thursday.

Madison County sheriff's deputies reported the car of Gerald Eversgerd, 32, Belleville, slid a patch of ice, crossed into the oncoming lanes and collided with the northbound autos of Daniel Kujawa, 2441 Kilarney Drive, and Inez Logon, Florissant, Mo.

A chain-reaction collision followed involving the vehicles of Ronald Hahn, St. Louis, Shirley Mosby, 2623 Iowa St., and Theresa Ligibel, Edwardsville.

Eversgerd was taken by Granite City ambulance to St. Elizabeth Hospital where he was treated for cuts to his head and left hand and abrasions to both knees, both hands and his right elbow. He was released after X-rays were taken.

AUTO STOLEN

The yellow two-door 1973 Oldsmobile Royal 88 auto of an Pelland, 707 Twenty-seventh Place, was stolen from the parking lot of K-Mart on Nameoki Road, between 4 and 4:30 p.m. Saturday.

Bridal shower for Paula Niebur

Miss Paula Sue Niebur, a January bride-to-be, was honored at a miscellaneous shower last week at St. Elizabeth Parish Hall.

Hostesses for the event were Mrs. Diane Lafikes, bride's sister, and the bride-elect, Miss Mary Ann Bary, who will serve as maid of honor, and Miss Laura Koskie, bridesmaid and a sister of the prospective bridegroom.

Tables were appointed in blue, the color to be used in the wedding party. A bride doll and wedding bells decorated the gift table.

Games were played and many gifts were opened by Miss Niebur.

About 30 relatives and friends of the couple attended.

Mrs. Dolores Koskie, mother of the groom-elect, and Mrs. Mary Niebur, the bride-to-be's mother, were among those present.

Miss Niebur will be married Jan. 19 at St. Elizabeth Church.

TRAVELERS PARTY

Travelers Abroad will celebrate Christmas with a dinner and entertainment on Friday, Dec. 15, at 6:30 p.m. at the Senior Citizens' room in the Granite City Township Building at 21st Street and Delmar Avenue.

FIRST CHILD BORN TO TIMOTHY SWIGERT

Melissa Ann Swigert believes in being the first, even though she is only four days old. She is the first child of her parents, Mr. and Mrs. Timothy (Sharon) Swigert, 2715 Iowa St., the first grandchild of Mr. and Mrs. James Swigert, 2540 Jordan Ave., and the first great-grandchild of Mr. and Mrs. John Jachino, 1 Nassau Court.

She also has a grandmother, Mrs. Norma Koesterer, 50 Cambridge Drive, and a great-grandmother, Mrs. Alice Koesterer, 2840 Jordan Ave.

Melissa was born Thursday at St. Elizabeth Hospital, weighing seven pounds, 14 ounces.

BETROTHED. Miss Mary Juanita Yarbrough whose parents, Mr. and Mrs. Charles Wilcox, 2813 Harding Ave., are announcing her engagement to Jeffrey Hamilton. A Dec. 29 wedding is planned.

Mary Yarbrough is engaged

The engagement of Miss Mary Juanita Yarbrough and Jeffrey Hamilton is being announced by the bride-elect's parents, Mr. and Mrs. Charles Wilcox, 2813 Harding Ave.

They plan to be married on Dec. 29 at Tri-City Park Tabernacle Church.

The prospective groom is a

son of Mrs. Lillian Mabe of Granite City. He is a 1974 graduate of Granite City High School South and is presently employed at National Lead Industries.

Miss Yarbrough was graduated this year from South High School and works as an assistant to Dr. Russell Forbes of St. Louis.

Area beauticians elect

Sheila Morgan, a teacher at the Granite City School of Beauty Culture, was elected president of the Elite Hairdressers Association, Affiliate 33, at the group's dinner meeting at the Round Table Restaurant, Collinsville.

The program was presented by Dr. and Mrs. Thomas (Phyllis) Clay, owners and operators of the Midwest Healing Arts and Acupuncture Clinic in Granite City.

Mrs. Morgan, who succeeds Judy Broshow as president, was elected by acclamation, together with:

Willene Gregory, first vice-president; Julie Ahning, second vice-president; Evelyn Hood, treasurer; Joyce Kotoff, secretary; Mary Schiller, historian; and board members, Mrs. Broshow, chairman, Naomi Gray, Margie Novosel, Janet Wallace, Mike Hopke and Betty Smith.

Mrs. Clay, a certified nutritionist, reviewed the relationship between beauty and good health. She also reviewed the book, "Cancer is Curable."

With the assistance of affiliate members, Dr. Clay demonstrated the importance of proper balance and alignment of

Yule party for Pythian Sisters

Christmas carols and a gift exchange were among the highlights of the annual Christmas dinner party of Cascade Temple 216 of the Pythian Sisters.

A covered dish dinner was served at 12 noon at the Knights of Pythias Hall to about 40 members, guests and Knights of Pythias.

Seasonal decorations were used in the table appointments. Mrs. Noia Heiney offered prayer.

Games were played after the gift exchange and songfest.

The next regular meeting will take place at 1 p.m. Jan. 8 at the Knights of Pythias Hall.

Hearing Tuesday on annexation

A public hearing to consider a proposed annexation agreement involving 427 acres of land proposed for an industrial park will be held by Granite City at 7 p.m. Tuesday in the Council Chambers at the city hall.

The annexation agreement was presented to the City Council two weeks ago and has been referred to the City Plan Commission. The agreement is between the city and Illinois Power Co.

Dec. 31 important deadline for mailing VA questionnaires

James R. Washburn, director of the Illinois Department of Veterans Affairs, has announced that all persons receiving pension benefits from the Veterans' Administration should have received an income questionnaire card which must be completed and returned to the address marked on the card prior to Dec. 31.

Child care tax credit enforcement tightened

Again this year, working parents who claim credit for child care for their federal tax return are being required to furnish the name, address and Social Security number of their babysitter.

The Internal Revenue Service Springfield District says that, at the same time, providers of child or dependent care services must report amounts received as income on their federal tax return.

The IRS is stepping up its efforts to insure that the income reported is consistent with amounts claimed by parents who take advantage of the credit.

IRS Form 2441, "Credit for Child and Dependent Care Expenses," calls for claimants to furnish certain identifying information about the child care provider and the amount he or she was paid.

The credit for child and dependent care is 20 percent of the actual child care

expenses paid so that parents can work.

Money paid to a babysitter so the parents can go out socially does not count for purposes of the credit.

The maximum credit is \$400 for one child and \$800 for two or more children.

The credit can be claimed by all taxpayers, regardless of income. It encompasses not only the workday care of children, but care of certain other eligible dependents as well.

RINGS MISSING
Thomas Foley, 2707 Harvey Place, Apt. 80, reported at 1:05 p.m. Friday that a \$500 diamond ring and a \$30 wedding band disappeared from his home while the family was on vacation, since Nov. 20. There were no signs of forced entry.

Donations may be made in person at the Salvation Army Center, 3007 E. 23rd St., or checks may be mailed to:

The Salvation Army, Post Office Box 338, Granite City, Ill. 62024.

Appeal at \$11,000, 14 days to Christmas

Bruce Mott, chairman of the 1978 Salvation Army Tree of Lights, asked area residents today to "take a brief moment and please answer the letter" requesting donations to the annual Christmas appeal.

Contributions to the Tree of Lights today stands at \$11,000, and Christmas Day is 14 days away.

Several hours before the last applications for Christmas assistance were taken Friday, a total of 1,620 people had requested help during the coming holidays.

Applications up to that time numbered 442.

Many received are from families with small children and others come from senior citizens who live alone.

In addition to Christmas food baskets and food checks, The Salvation Army provides toys and warm clothing items for the children through donations to the Tree of Lights.

The Christmas giving program also includes delivery of welcome gifts to hospitalized servicemen and to senior residents at area nursing homes.

Donations may be made in person at the Salvation Army Center, 3007 E. 23rd St., or checks may be mailed to:

Grant for marking GC streets

Granite City has received a grant of \$104,855 from the Illinois State Department of Transportation for a street-striping program. Mayor Paul Schuler announced Friday.

The allotment of federal funds which is distributed through the Illinois DOT provides for painting center lines, edge lines, crosswalks and some railroad markings.

The work will get underway in early spring, according to the city engineering department.

Volunteers are sought

VISTA: Volunteers in Service to America, is seeking volunteers for grassroots and poverty-related projects throughout the United States and its territories. Immediate openings are available for community organizers, architects, lawyers, tenant rights advocates, urban planners and fund raisers.

To qualify a VISTA volunteer must be at least 18 years old and have a skill requested by a neighborhood project. Volunteers serve one year.

They receive benefits which include paid living, travel and health expenses, plus a \$900 stipend upon completion of service.

VISTA is a program of ACTION, the federal agency for volunteer service. More than 4,000 serve in community service projects.

The volunteers work to help groups of low-income citizens so that they can influence the decisions that affect their lives.

For detailed information on VISTA, Quad-Cityans may phone collect (312) 353-4900 or write VISTA, One North Wacker Drive, Chicago 60606.

Free holiday ice skating sessions

The Granite City Park District will offer two free ice skating sessions during the coming holidays, it was announced this week.

The sessions are arranged for Christmas Eve, Dec. 24, and New Year's Day, Jan. 1. Both will take place from 1 p.m. to 3:30 p.m.

No evening session is scheduled on Christmas Eve. A special New Year's Eve party is planned Dec. 31 from 9:30 p.m. to 12 midnight.

A charge of \$1.25 will be made, with the fee including admission to the rink, a hot dog, potato chips and a soft drink.

Services for Virginia Hayes Sgt. Gallas given leave

Funeral services were held Saturday for Mrs. Virginia Hayes, 54, of 1518 rear Fifth St., who died at home at 7:50 a.m. Thursday after suffering an apparent heart attack. She was pronounced dead there by Madison County Deputy Coroner Dick Mizell.

Mrs. Hayes was born in Indianapolis, Ind., and resided in this area 40 years. She was of Baptist faith.

Her husband, Benjamin Hayes, preceded her in death in 1957. Surviving are two daughters, Mrs. Kathy Forehand of Washington Park and Miss Debra Hayes of East St. Louis; a brother, Wayne Beagle of Indiana; a sister, Mrs. Ronald (Donna) Snyder of Afton, Mo., and two grandchildren.

Funeral arrangements may be found in today's obituary column.

Granite City Council members, by a 9 to 4 vote, approved last week a request by Sgt. George Gallas of the Granite City police department for a 30-day leave of absence to try a new job on which he is now working in Alton.

Gallas, a 21-year veteran of the police force, told the council in a letter that he wanted to work the job for 30 days to see if he likes it and if it will offer security to his family.

The request brought objections from several aldermen who noted that the vacancy on the force could not be filled so long as Gallas remains in the position as a city employee.

Alderman Sam Whitmer raised the question of insurance fringes that are paid by the city and how Gallas would be affected in the event of injury or illness.

during the 30-day period Gallas remains on the city payroll.

City Attorney Lance Callis said he believed there would be prior coverage by the firm for which Gallas is working. Gallas is employed on the security staff of Olin Corp. at Alton.

Whitmer also protested that the city should not be required to pay the premiums on Gallas' insurance while the leave of absence is effective.

The request for the leave was forwarded by the Board of Fire and Police Commissioners to the City Council without a recommendation.

Mayor Paul Schuler told the aldermen he had discussed the matter with Chief of Police Ronald Veizer and that he believed the leave should be granted.

Veizer, in reply to a question by Whitmer, said Gallas had discussed the insurance matter with him and planned to pay his own insurance premiums during the period he would be off.

Several aldermen contended the council would be putting itself in a position with any city employee "could ask for a leave of absence to go out and look for a job."

Voting against the request were Aldermen Whitmer, Roy Poulos, Earl Baker and Glen Sprankle. Voting in favor were Aldermen Lloyd Bailey, Margaret Nann, Ronald Deacatur, Fred Schuman Jr. and Paul Bowler.

Sprankle told the council after the vote was taken, "I believe we are setting a dangerous precedent. If everyone did this it could be a serious problem."

Recall proposal would subject good and bad officials to pressure by a small fraction of their constituents

A spinoff from the Walker administration, the Coalition for Political Honesty, has had only limited successes and its latest venture also seems destined to fail. Its recall amendment proposed for the Illinois Constitution would subject any and all government officials at all levels to a special election on their worthiness at any point during their terms, and simultaneously put rival candidates on the special ballot.

The sweeping nature of the amendment could disrupt the concept of an orderly system of elections. It specifically mentions judicial candidates and thus — by including new candidates — runs counter to the system in which judges run on their record and without opposition for all second and succeeding terms.

The provision for a special vote within 40 to 45 days from the filing of a recall petition would run up against the new Illinois law restricting elections to certain times of the year.

While the proposed amendment itself mentions public officials and officers, accompanying news releases emphasized the word "politician" in repeated references to the proposal, reminiscent of past "don't trust government" positions taken by the Coalition. Undoubtedly, some don't

deserve to serve out their terms of office, but the Coalition plan would subject good as well as bad officials to officials to constant uncertainty, perhaps forcing them to take currently popular attitudes even when their best judgment dictated otherwise. No criteria are given for the selection of officials to be ousted; the way they part their hair would be enough evidence.

Because only 25 percent of those voting for governor in the particular district could achieve a recall election and balloting for local offices sometimes is heavier than for governor — a relatively small fraction of the electorate would have the power to force an official to prove again, on a random basis, that he retains majority support.

"Recall" as envisioned by the Coalition would be mighty costly and disruptive. There may well be considerable merit in some aspects of the proposal, but with the way it has been structured the disadvantages would far outweigh the advantages.

We suspect the plan isn't being offered seriously, but more as a reminder of the state's 1972-76 administration. But would Dan Walker himself survive a recall vote?

Toffant asks to rehire Anderson

Sheriff Emil Toffant has asked the Sheriff's Merit Commission to consider rehiring Richard Anderson, 31, Granite City, who was fired as he and other deputies made public their cooperation with federal authorities investigating the sheriff's department.

Anderson was elected president of the now-defunct Madison County Deputy Sheriffs Association in 1975 and ordered the association disbanded when he was alleged irregularities in the books. The financial records were turned over to the FBI, and are cited in last month's indictment of former Sheriff John Maeras. Capt. John Cooper of the sheriff's department and Leland Stoller, who conducted fundraising drives for the association, are also indicted.

Anderson and Lamb were brought before the Merit Commission late last year on charges filed by Maeras. Anderson was fired on charges that he had Maeras in a tavern conversation and that he was involved in several violent acts in 1972.

He contended the charges were "trumped-up" by Maeras and by another deputy, whose sister made the charges against Anderson. Lamb and Anderson filed a \$600,000 lawsuit against Maeras, allegedly violating their

Man hit, kicked

Robert Bates, 27, of 3612 Kirkpatrick Homes suffered multiple injuries when he was hit and kicked by another man in the alley behind the 400 block of Kirkpatrick Homes at 12:35 a.m. Saturday. Police recovered a baseball bat and questioned one man, but released him pending further investigation.

Bates was taken to St. Elizabeth Hospital where he was treated for an abrasion to his chin, a cut to the top of his head and injuries to his left upper arm, head and right side. X-rays were taken and he was released.

Constitutional rights. That case is pending.

Toffant contended he is proud Anderson "had the guts" to cooperate with federal authorities and would like to have him back in the sheriff's department as a deputy. "He's a very good policeman," the sheriff said.

dictment, issued Oct. 27, which had eight counts against Maeras and Cooper. Some of the eight points were included in the superseding indictment Nov. 29.

Cooper was represented at the hearing by Attorney H. Carl Runge of East St. Louis, and Stoller was represented by Michael Costello of Springfield.

Maeras appeared without an attorney, but Runge told the court that Attorney Bruce Cook of Belleville had instructed Maeras on how to plead and was on the record as the former sheriff's attorney for the arraignment.

Fines told the Press-Record he expects that the federal grand jury will meet again prior to the trial, as part of an ongoing federal investigation into alleged corruption in Madison County.

Sources indicated that Fines told Toffant and Knezevich that a grand jury will be in session in the near future and that witnesses for the grand jury's private sessions are being called.

The new sheriff also was told that federal investigators are getting more voluntary information from the investigation now than when it began. People seem to feel more secure to talk to investigators now, the source related.

Toffant was said to have asked when federal files on alleged activities by deputies will be available to him, and Fines said the files will not be opened until after "this trial."

Toffant would say only that the meeting was "wonderful. He (Fines) is a heck of a guy. We talked about 45 minutes and he's happy and I'm happy. He's a real nice guy."

Fines said after the meeting, "We both agreed we will cooperate with each other in any way, and we'll be working with him."

Although it does not appear federal information on alleged activities by the department is likely to be released to Toffant before the end of the Maeras trial, Toffant says he is taking "every possible action" to be sure that he has the best possible deputies on duty.

Car-train collide

Raymond Brewer, 49, St. Louis, escaped serious injury when his car and a National Steel Corp. railroad engine collided on Edwardsville Road near 20th Street at 2:25 a.m. Saturday.

Brewer was charged with failure to yield the right-of-way after witnesses said the crossing lights were operating properly. He was taken by Granite City ambulance to St. Elizabeth Hospital where he was treated for cuts to his head, bottom lip and right middle finger and pain to his ribs. He was released after treatment.

Four hurt

Four persons were injured when the autos of Wanda Frost, 23, of 2315 Logan St., and Sylvia Bland, 32, of Lee Wright Homes, Venice, collided on Route 3 (formerly Route 151) and West Pontoon Road at 5:15 p.m. Friday.

Sylvia Bland was charged to yield the right-of-way after her auto allegedly entered Route 3 from westbound Pontoon Road and collided with the southbound auto on Route 3. Both drivers and two passengers in Mrs. Bland's auto were taken by Granite City ambulance to St. Elizabeth Hospital. Wanda Frost was admitted with abrasions and contusions to her forehead, which struck her as she was windmilled, and an injury to her left shoulder.

Mrs. Bland suffered pain in her right shoulder and chest. Minnie Singleton, 16, also of Lee Wright Homes, suffered pain to her right leg and head and Jeremiah Burns, injured his right hip and right rib area. All three were released after emergency room treatment.

Talks are resuming today between the Post-Dispatch and striking pressmen. Tentative agreement was reached Friday on the number of men to be assigned to the press.

An advisory tax commission appointed by Gov. James R. Thompson declined Friday to recommend a cut in the one-third-of-value assessment level. It criticized newly-adopted legislative pay hikes, and proposed a state spending limit by linking expenditures to a percentage of the state's total income.

State Rep. Herbert Huskey (R, Oak Lawn) says he was in Honolulu Nov. 29 when three votes were cast in his name to adopt legislative raises. "Ghost voting" also was reported by Rev. Calvin Skinner Jr. (R, Woodstock), who says he was at O'Hare Airport in Chicago during the voting. If present, Huskey would have voted against and Skinner for the raise.

Illinois legislators apparently won't meet their Jan. 1 constitutional deadline to devise a replacement tax for the corporate personal property tax. J. Thomas Johnson, acting director of the Department of Local Government Affairs, says he feels tax bills should be paid in 1979, anyway, because they are for the 1978 year.

Jail 6, arrest others in melee at Ricco's II

Six Missouri youths were jailed and several others were arrested, but escaped from squad cars, during a disturbance in the parking lot of Ricco's II Lounge, 3675 N. Main St., at 1:30 a.m. today.

Officers estimated 50 to 60 persons were involved in the disturbance and most refused to leave, despite repeated orders that they disband.

Five Granite City policemen and four lounge security guards engaged in what was described as "numerous" physical fights between the officers and patrons, according to official reports.

Officers said they had a difficult time controlling the crowd and required about 40 minutes to quell the disturbance. As they would break up fights, other fights would break out, they reported.

Others were throwing beer cans and getting in cars and driving around the lot at a high rate of speed, police noted. During the fights, yelling and fighting, numerous persons were arrested, but were freed from squad cars by friends in the crowd, it was reported.

One young woman was arrested and placed in a squad car at least three times, but escaped each time, according to reports.

Timothy G. Donnelly, 18, St. Ann, Mo., was struck on the head by a police flashlight after he allegedly struck Security Guard Steven J. Hoepker with his

fists and attempted to strike Sgt. Glenn Wright.

Donnelly was taken to St. Elizabeth Hospital where he was treated for a two-inch cut to his head and was released to police, who jailed him on charges of battery, disorderly conduct, resisting arrest and criminal trespass to property. His bond was set at \$400 cash.

Also arrested and charged with criminal trespass, disorderly conduct and resisting arrest were Michael A. Manes, 18, Florissant, Mo., Kevin K. Henry, 18, St. John, Mo., Jeffery B. Brueggan, 20, Florissant, Mo., and Lawrence A. Biedenstein, 19, St. Louis.

All were jailed in lieu of \$300 cash bond. Parents were posting their bonds this morning.

At 4:30 a.m. today, a young woman came to the police station requesting to post bond for a friend. Patrolman J. W. Apperson alleged he recognized her as the young woman he arrested last week three times during the disturbance, but who was let out of the squad car each time by friends.

Karen P. Kidder, 19, Hazelwood, Mo., was charged with escape, resisting arrest and disorderly conduct. All officers noted that all were on state complaints.

City asks new physical exam in pension case

Richard Bell, a former Granite City police officer who now is on disability pension, will be asked to return to Granite City to take a physical examination by a physician chosen by city officials, it was decided by the City Council last week.

The action was taken on a motion by Alderman Clyde Boyd after Boyd told the council, "Others have been reports that Bell is working full-time on construction in Florida."

Boyd asked if there was any way that Bell's physical condition might be reviewed with a view toward reducing or eliminating the monthly

pension payment if it were determined his disability was a leg injury — had lessened. City Attorney Lela Callis said the city could select a physician and notify Bell to appear for an examination. Mayor Paul Schuler said the matter also will be referred to the Police Pension Board.

Norths' cold shooting results in 61-55 loss

By PETE HAYES

ALTAMONT — Bill Ohlendorf looked down at the floor in Altamont High's gymnasium hallway. "We didn't put the ball in the basket... pure and simple," he said. "When you're small and give away so much, the one thing that HAS got to go your way is the shooting game."

Ohlendorf had just watched as his Granite City North Steelers got behind early and missed countless opportunities to get back into the game and fell to Altamont 61-55 Saturday night.

North got off to a horrendous start early. The Steelers made just five of 17 shots in the first half. They could never make it up.

Ohlendorf's squad dropped its third game in as many starts.

"It's not a lack of effort,"

ALTAMONT 61,
NORTH 55
North 4 10 15 22-55
Altamont 12 15 16 18-61
NORTH — Russ Chappell 18, Tom Greco 2, Dennis Page 18, Mike Robertson 2, Greg Luhanan 14, Bob Bailey 2 FG 21, FT 9.
ALTAMONT — May 2, Huelshoter 10, Millville 20, Seales 2, White 18, Tappert 9, Smith 2, FG 21, FT 21.
Junior varsity — North 62, Altamont 56.

said a disheartened Ohlendorf. "These guys get out there and give everything they've got."

It's just a matter of LEARNING HOW to win," he said. "Once the ball starts going in the hole for us, we'll be alright."

Victory for North dangled in front of its nose like a carrot in front of a horse. After the terrible first three or four minutes of shooting, the Steelers found themselves behind by only four

points, 12-8 after the first period. Plenty of time to make up for that.

But that deficit soon grew to 10 points (18-8) at the 7:30 mark of the second period. From then on, the distance between North and Altamont's Indians was right around the 10 point bulge.

"We had plenty of chances to get right back into the game," said Ohlendorf. "But when we got into a situation where we were desperate and HAD to come up with a big play, we didn't respond."

The big gun for Altamont during that stretch in the second quarter was Greg Millville. The 6-2 forward scored six field goals enroute to widening the Indians' lead to 27-18 at halftime.

"I'm not trying to take away from Altamont," said Ohlendorf, "but our shot selection wasn't that bad either."

"If our shots had fallen early, we'd have been in it

and I feel possibly, could have won the game."

What does a coach tell a team at halftime that's playing well, but whose shots simply aren't dropping? "We just had a conversation about the importance of desire and concentration," said Ohlendorf. "There wasn't any yelling or screaming."

"We just tried to get our thoughts together."

In the second half, North actually out-played the Indians (and out-scored them), but the deficit was just too much to overcome. "I thought that for the most part, in the second half," said Ohlendorf, "we did a pretty good job. But many of our shots weren't dropping. We'd get within five points or so and then hit another cold streak."

GC grapplers romp to easy tri-meet wins

GRANITE CITY — Granite City high school wrestlers rolled over all but one opponent Saturday in triangular meets (or "triple duals"). Friday, South also ran all over Alton in a dual here, lambasting the Redbirds 56-3.

Saturday, North crushed Collinsville 61-6 and whipped Edwardsville 48-9, but lost to Belleville West 31-18 in a triple dual at West.

Against Collinsville and Edwardsville, North was never in danger, getting way out in front in the early bouts, and eventually lost only one bout against Collinsville and two against Edwardsville.

However, against West, North managed to get the early lead, but its upper

weights could not hold off a late charge by West's Maroons.

Pins were registered by Bob Kirgan at 112 pounds, Al Kirgan at 126, Russ Grasso, Brad Taylor, Mitch Steen, Mike Painter and Al Sullivan in the matches against the Kahoks and Tigers.

Against West, North's junior division strength didn't reach as high as it had in previous matches. The wall started to break down at

182 pounds when Greg Shemwell lost to West's Bob Murren 4-2. North's Gerald Miller registered the only Steeler pin when he did it to Rich Gauch at 98 pounds in 2:57.

For South Friday night, the Warriors turned the Redbirds every way but loose. The only South loss was in the heavyweight division where Mark Siebert was outscored by Terry Banks 6-2.

South pins were registered by Scott Polson (167), Phil Beljanski (132), Barry Forshee (126), and Rocky Lupardus (112).

Saturday at South's gym annex, the Warriors ran their dual meet record to 8-0 by taking a double dual with Springfield and East St. Louis. They whipped East St. Louis 60-3 and downed Springfield 44-6.

South winners included Chris Cottrell, Greg Garland, Rocky and Rodney Lupardus, Barry Forshee, Dean Perkins, Sam Perkins, Ron Cline, Scott Polson, Don King, Mark Siebert and Vahe Habeshian.

Trojans strike early, smash Venice, 89-66

By PETE HAYES
and KEVIN ALLEN
of the Press-Record

VENICE — Madison High School struck early with a blistering scoring attack and a tough full-court press here Friday afternoon and

waltzed away with a surprisingly easy 89-66 victory over archrival Venice High.

Along about the middle of the fourth quarter of the game, Venice guard Reggie Arnold took an inbound pass and started down the court facing Madison's press. He slowed down and yelled to his teammates "upcourt, 'Get back and help.'"

That told the story. For the

entire game Venice's Red Devils were victims of Madison's relentless hustle.

At the end of this latest encounter of two of the area's strongest rivals, Madison's Trojans had ran the victory.

It would be a mistake to say that Venice didn't do some hustling of their own, even considering the lopsided score. The Red Devils played aggressively, perhaps too much so. There were 30 fouls called on the two teams during the course of the game.

Madison Coach Larry Graham said, "It was a very intense game. It's always a

physical when we get together. Venice may have just been over-keeyed." The rough play suited Trojan captain James Heard. "I like to play physical," he said. He credited the win to Madison's running. "It was mostly our hustling defense. We just hustled the whole game."

"Madison plays a very physical brand of basketball," said Venice Coach Ken Perkins. "Our kids don't respond well to that sort of game."

It took the Trojans nearly half a minute after some early turnovers, before they scored for the first time,

but from then on they were never behind.

Venice coach Ken Perkins said his club didn't perform intelligently enough. "We go into a game like this and tell ourselves that they (Madison) aren't any better than us," he said. "We think, 'They've won a state title just like we have, so they're equal to us.'"

"But we're not willing to go out and work at it."

The turtle paced contest was slowed by the frequent referee's whistle. There were 17 fouls called on each team by the half, 50 at the end of the game. Sur-

WHO'S GOT WHO? South wrestler Vahe Habeshian (left) and Springfield's Glisson seem to be in a bit of a standoff Saturday during the South victory over Springfield at South.

Habeshian got out of the predicament and South went on to defeat both Springfield and East St. Louis in a double dual meet. The Warriors' dual record is now 5-0.

SIUE falls in Puma Classic

Special to the Press-Record
RENNSELAER, IND. — SIUE's Cougar basketball team lost the championship game of the St. Joseph Puma 100 Classic tournament Saturday night at Rensselaer, Ind. to the host St. Joseph College, 88-80.

The Cougars had advanced to the championship round by downing Indiana-Purdue University of Indianapolis Friday night in a double-overtime victory, 110-101. In the championship game, the Cougar's held an early 22-17 lead only to see St. Joseph come back, at the

half because of Cougar foul trouble. The second half opened with a 35-31 St. Joseph lead from which the Cougars never recovered. Friday, the Cougars came back from a five point deficit with 1:37 remaining in the game to tie it at the buzzer. The Cougars could have won

the first overtime but center Ron Jones failed to score the winner at the foul line with seven seconds left. The Cougars won in the second overtime by scoring four times in succession while holding the opponents scoreless.

Whelans now helping Mizzou

COLUMBIA, Mo. — A pair of Granite City natives are helping the University of Missouri wrestling team with some vital victories early in the season. Khris and Keith Whelan, the wrestling brothers from Granite City High School North, are keeping their practice of defeating opponents alive.

Khris, a freshman at Missouri, currently leads the Tigers in best overall record with a 5-1 record, while Keith stands in with a 3-2 mark. Khris wrestles at 118 pounds and Keith at 128 pounds. All of Khris' wins have come in invitational tournaments Mizzou was entered in.

An old rivalry is renewed

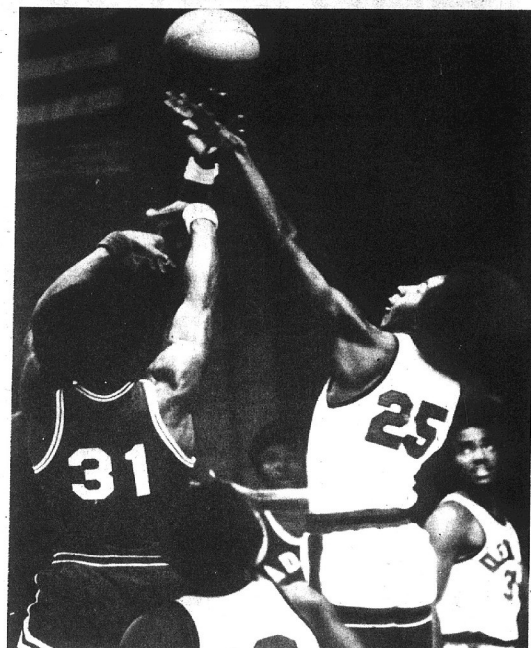

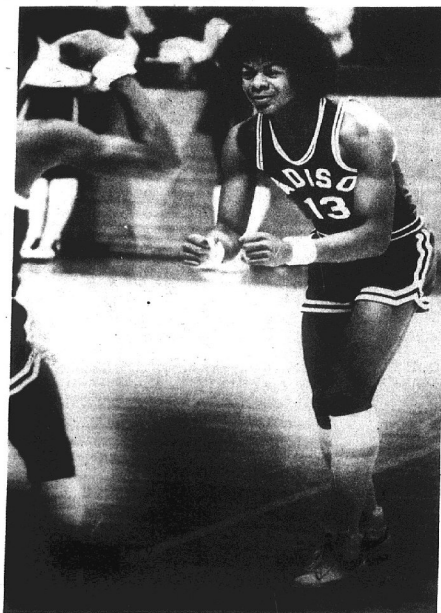

VENICE — A couple of old foes got together here Friday afternoon.

Madison and Venice, Madison, the 1977 Illinois Class A (small school) champions, Venice, the 1975 Class A champ and third-place finisher in 1974.

In the old days, Venice used to run all over Madison. Those were the days of Coach Bill Ohlendorf and Rich Essington.

But things have reversed since those days. Now Madison seems to be able to have its own way with the Red Devils. Such was the case there Friday. The Trojans used a swamping full-court press to put a stranglehold on the fired-up Devils and waltzed away with an 89-61 victory.

Photos— Right: Venice's Terry Arnold and Madison's Carlyn Jackson (31) go for a rebound; Below right: Red Devil James Matkins grimaces in pain after hitting the floor hard; Below: Trojan Kenny Stanley greets teammate Jackson during pre-game introductions; Left: Madison Coach Larry Graham (left) and Venice mentor Ken Perkins both question a call.

More details on the Jakich 'resignation'

MADISON — According to both former Madison High School head football coach Nick Jakich and Madison School Board President Sam Dymas, Jakich's resignation from the post last week was not entirely voluntary.

"They told me to resign or that I'd be let go at last Thursday's meeting," said Jakich. "It's that simple." Dymas concurred, saying the board felt a change had to be made. "I don't really like the words, 'let go,' said Dymas. "Instead, let's just say a change would have been made whether or not he had resigned."

Jakich feels the entire affair was a personal one between he and Dymas. "Dymas hasn't liked me for years," said Jakich. "In fact, I think he's pretty well made it known that he's wanted me out of the job for a long time. It was just a personal vendetta for him."

But Dymas said the matter is not a personal one. "Nick feels that this is a personal thing between me and him," he said. "But it's not, I assure you."

"Certain members of the board simply didn't agree with some of the things he did as a coach. We didn't think he handled the players in the correct manner, for instance."

"There were many games Madison was getting blown out and Jakich didn't play every body. Dymas then said the team's 2-7 record this past season had nothing to do with the decision. "Records have nothing to do with it," said Dymas. "A change would have still been made."

Some of Jakich's former players said they felt the team was handled in the proper manner. "I wish I had another year under him," said senior Carlyn Jackson. "He taught me the ropes. He showed me how to play quarterback, and I've learned a lot about other things from him... like good sportsmanship."

'Putting the ball in the hole ...'

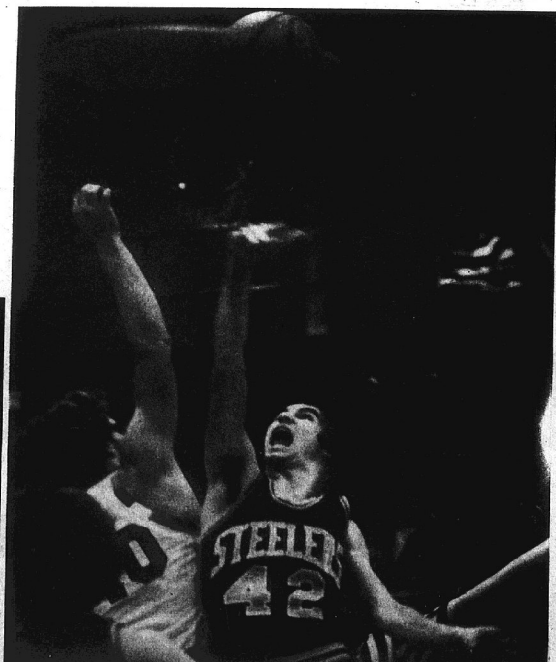

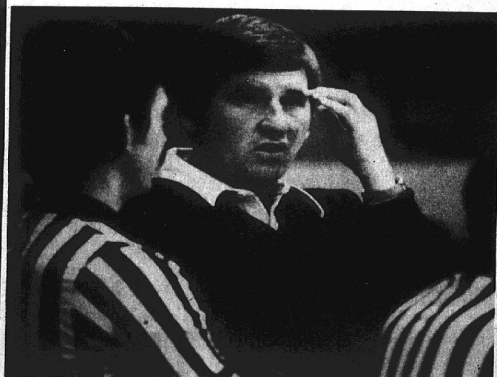

ALTAMONT — It was a frustrating night for Bill Ohlendorf here Friday. He watched as his Granite City North Steelers were gunned-down by a fired-up Altamont group of players, 61-55.

But the problem isn't one of mental mistakes entirely, according to Ohlendorf. It's just a matter of "getting the ball to go in the hole."

"I can't really teach them how to shoot it any better than they are," he said. "The shots we get aren't bad ones. They just aren't falling."

The road doesn't get any easier for North, however. Its next two foes are Cahokia and Collinsville.

Warriors caught cold by Belleville West

By KEVIN ALLEN of the Press-Record
GRANITE CITY — When Granite City South came back from the half-time break of its game against Belleville West last Saturday night, it looked like they had left something in the locker room — the ability to put the ball through the basket.

The Warriors scored only five points in the third quarter, in the course of which they blew the 12 point lead they held at the half, enabling Belleville West to take a 45-43 lead.

South lost, 63-52.

South's coach Don Deterding gave two reasons for his team's collapse. "We fatigued in the second half, and the kids lost confidence in themselves," said the dejected coach. "West came back very strong in the second half, but what did we score, about ten, anybody could come back after that."

The disastrous third period opened harmlessly — even successfully — for the Warriors, who scored following the opening tip

from center putting the score at 40-26. After that the Warriors could not find the basket.

Three minutes late into the period, finding his team had scored only four points making it 42-32, Deterding called a time-out. He was fuming, telling his players they were making lackadaisical passes and stupid mistakes. He urged them to be mentally alert. The team apparently missed his point. They scored only one point on a free throw by Jeff Parker in the final five minutes of the period.

Deterding explained after the game that he thought his players were not only physically fatigued but were also mentally tired. "All of our starters missed at least one day of school this week, and some missed two. But you can't cry about it," he said.

That could explain the marked difference of South's play in the two halves. In the first half South was rebounding, shooting and passing effectively. West's

6'9" center Ron Stitzel and his height advantage was countered, and South matched West almost point for point.

The score at the end of the first quarter was 16-14 in favor of South. In the second period South displaying a balanced attack with Parker, Jeff Treter, and Lee Huebner all contributing points, started to take command. By the half, the Warriors had a 12 point lead, 38-26.

"We hope we're the type of team we showed in the first half," said Deterding. We outplayed them in the first half."

Part of the cause for the poor showing in the last half was due to the loss of Parker to the Warriors. He was in foul trouble early, having been called for fouls in the first quarter alone. Parker left the game about halfway through the third quarter when he was called for his fifth foul.

The Warriors were far from out of the game, beginning the fourth quarter,

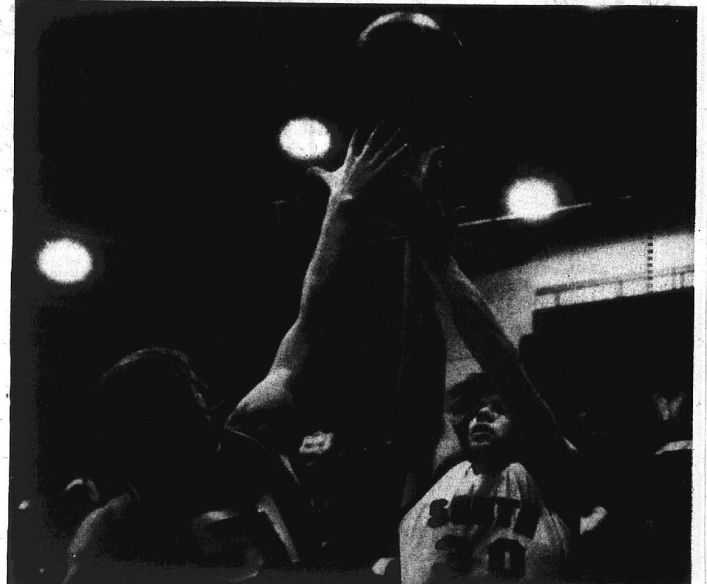

and did manage to turn their earlier ineffectiveness around. The teams were trading baskets for about the first four minutes. Then Treter and Jeff Vaughn were called for fouls, allowing West to open up a six point lead.

South battled back to get within three at 53-50. But that was as close as they were to come. West sealed the victory by stealing South's attempt to bring the ball inbounds twice in a row, converting each steal into baskets. That made it 60-50.

Both teams lacked on some additional points but for practical purposes the game was over.

Deterding summed up the game, saying, "They were very aggressive, as always, and we were not. We're just not in shape."

South, as a result of the loss, spoiled what until now was a perfect record. The Warriors are now 3-1, while West evened their record at 2-2.

GOING UP with a shot Saturday night for South is James Blasingame (30) as a Belleville West defender tries to stop it. South led at

halftime by 12 points, but was cold in the second half and lost 63-52.

Catalpa takes first home win

Last year's area Class AA power COLLINSVILLE is finding the going not quite as easy as in '77-78, but nonetheless, the Kahoks are still sporting a 2-1 record.

Friday night, they slipped past a much-improved CAHOKIA team 64-53 in Collinsville. It was the home opener for the Gene Catalpa-coached Kahoks. The first time in 33 years anyone other than legendary Vergil Fletcher sat as the Collinsville head coach.

Last year's champ, NASHVILLE, is also taking victories easily. Saturday night, the Hornets ran all

over SPARTAN 70-39.

LEBANON has taken up right where it left off. The Greyhounds scorched the nets at a 67 percent clip Friday night enroute to a 72-64 win over DUPLO.

A Class AA team to watch, CENTRALIA, ripped South Seven rival MIT, VERNON 87-59 Friday night.

The Orphans have three starters back from their sectional finalist team of a year ago.

BELLEVILLE EAST got its season off on the right foot Friday night, coming from behind to beat BRESEMAKER 121-69-54. The Lancasters scored 28 points in

the third quarter and were led by Fernando Goss's 24 points.

Before their Saturday game with South, BELLEVILLE WEST fell Friday to EAST ST. LOUIS 66-62 after leading for most of the game.

EAST ST. LOUIS LINCOLN found the going a bit rough in the DuSmet Tourney, falling Friday to Fletcher) Saturday, 72-46.

the hosts 96-68. But Saturday, the Tigers bounced back to take third place.

HERRIN, the team that beat Collinsville during last year's Carbondale Tournament, could be another Southern Illinois Class AA school to watch. The Tigers easily defeated JOHNSTON CITY (home town of Vardell) Saturday, 72-46.

Jakich

Another senior, Derrick Mathis, who transferred to Madison from Cahokia High School, said he thought Jakich was better than the coaches at Cahokia. "Everybody was equal under Coach Jakich," he said. "He was better than anyone at Cahokia."

"We didn't have too many discipline problems, either," said Mathis. "We listened. If we hadn't liked him, we wouldn't have."

Mathis said Jakich "took care of his players." "When Kenny Stanley hurt his leg against Granite City, Coach Jakich took care of it two weeks into the basketball season to make sure it was all right."

prinsely, Venice held a 24-21 edge from the free-throw line.

Graham, commenting on the official's liberal whistle blowing, said, "I think that was the most fouls I've ever seen called, but they were consistent, and that's all you can ask, consistency."

"We got called for a awful lot of fouls," said Perkins. "But I'm not using that for an excuse... it was a physical game."

Dennis Page with 18 points. But most of those came in the fourth period, after the issue was for the most part already settled. Page had been bothered recently by an injury to his right shoulder because of a wrestling class in P.E. Did it still bother him?

"He shot pretty good in the fourth quarter," said North assistant coach Tom Wyrostek, "and it was the same arm... and it was tired, too."

The road doesn't get any easier for Ohlendorf and his team. Next Friday, the Steelers will face Cahokia.

South skaters romp, 5-0

ST. LOUIS — The Granite City South club ice hockey team ran its record to 2-1 here Saturday night with an overwhelming 5-0 victory over Hazelwood East.

The Warriors struck early by scoring three of their goals in the first period. Tim Dix drew first blood for South when he scored (assists to Gary Brode and Todd McFarland) at the 12:34 mark of the first stanza. Pat Theis then scored from Andy Hinterer at the 11:58 mark followed by a goal at the 8:17 mark by Mike Hassler assisted by Dennis Partney.

Tom Markarian scored from Ted Thalmann at 5:50 of the second period and Bill McKinnon tallied the final Warrior goal at 6:12 of the second assisted by Andy Cossello, George Whaley and Tim Partney.

South out-shot Hazelwood 43-28. The shutout was shared by starting goalie Greg Mulach and backup Chris Hinterer.

I BET YOU DIDN'T KNOW

BROUGHT TO YOU BY MILTON MATHEWS

One of football's great legends of footballs George Gipp, who played his last season for Notre Dame in 1920. "Would you like to read about the details of that legend? ... Gipp became ill during his senior year and was on his death bed ... Coach Knute Rockne came to visit, and Gipp gave Rockne the basis for the most famous pep talk in football history. 'Gipp reportedly said, 'I've got to go now Rock. It's all right. But sometime, Rock, when the team's up against it; when things are wrong and the breaks are beating the boys, tell them to go in there with all they've got ... and win one for the Gipper.' Rockne waited half time of the Notre Dame-Army game of 1928 ... He used Gipp's last words as his pep talk ... Needless to say, Notre Dame won that day."

Here's a football oddity ... Although field goal kickers often decide games, and are among the most important players on any squad, National Football League teams rarely draft field goal kickers in the early rounds — an in fact, most of today's leading kickers joined their teams only after being released by another team ... That includes such top field goal kickers as Errol Mann, Effren Herrera, Rafael Septien, Roy Gerela, Garo Yepremian and Mark Moseley.

ATTENTION V.A. & F.H.A. BUYERS!

LITTLE OR NO MONEY DOWN WILL ENABLE YOU TO PURCHASE ANY ONE OF SEVERAL CLEAN, SHARP, ATTRACTIVELY PRICED HOMES WE HAVE AVAILABLE... CALL... SEE IF YOU QUALIFY!

NEW LISTING - One of the "hottest" real estate areas in town has this 3 bedroom ranch available. Good size living room and kitchen with full bath. Some walls paneled, some papered with new carpeting in the living room and hall. Full insulation is work mentioning, too! So is the price at \$24,900.

FOR A LITTLE BIT MORE - YOU GET MORE! Including a dining room and corner lot. This 3 bedroom home has wall-to-wall carpet, good-size living room, kitchen, ceramic tile bath, 2-year-old roof, and GHI insurance.

HERE'S ANOTHER OPPORTUNITY FOR YOU! This smart residence offers 3 good-size bedrooms with sliding glass doors off the master bedroom, a large living room, kitchen and dining room combination with a walk-in pantry, and a full bath with shower. It's a lovely home that's affordable.

A DANDY ON DAWN - 3 bedroom ranch home with a fenced rear yard just right for the kids, an oversized attached garage with enough room for dad's workshop, a nice kitchen the little woman will be proud of and a gigantic family room for the entire family.

PRICE REDUCED - On this lovely 8-year-old home. A good home for anyone! Full basement, large living room, kitchen, with 3 large bedrooms. Includes a 12x10 ft. patio, fenced yard. This home also has GHI insurance.

ASSUME EXISTING LOAN - On this 3 bedroom brick home with large living room, formal dining room, kitchen, with bath and 1/2. A large lot, and finished basement with fireplace. This home is nicely carpeted and we should also mention the second fireplace in the living room.

A CHRISTMAS PRESENT FOR THE ENTIRE FAMILY - In this newly constructed brick and frame. Besides being lovely to look at, it has everything: 3 bedrooms, extra large living room, kitchen and dining room combo, and can you believe 2 1/2 baths! This winter everyone can marvel at the beautiful fireplace in the family room and next summer enjoy the patio. Other features include 2 car garage, utility room, walk-out basement, wood deck off kitchen, central air and large lot. Check this one out - you'll be surprised at the moderate price.

PROMISE HER ANYTHING... BUT BUY HER THIS 2-STORY - Frame with 3 large bedrooms, living room 12x24 ft. formal dining room and extra large kitchen. It also has a full basement, central air and a two-car garage. What else could she want?

TUCKED AWAY - IN TOWN - That's a combination difficult to find - Privacy and convenience. This 5-room brick home has 3 bedrooms, living room, kitchen, attached garage and super-nice finished basement. It's a home that says, "I'm home!" Immediate possession means you can continue caring by Christmas.

PRICE REDUCED - On this extra nice 3 bedroom brick with full basement. Owner leaving town and must have quick sale. That could be the chance you've been waiting for. Central air, attached garage, built-in kitchen, all on a corner lot. Easy financing, too! Better check this one out!

PRICED IN THE LOW \$20's - And you have 2 bedrooms, kitchen, living room, dining room, family room and a full basement, too. We could call this our "Holiday Special."

DO THE WANT ADS MAKE YOU FEEL UNWANTED? Let's face it, young man. It's tough to get a good job without experience or a high school diploma. If you'd like a job interview where you'll really feel needed, see your Army recruiter. He's got a variety of training courses to choose from... construction, transportation, air defense artillery, you name it. If you're qualified for one of our openings, you'll get it. Guaranteed. And you'll get paid for it well, too. Today's Army starts you at \$419 a month. And that's over and above the free meals, free housing, free medical and dental care, and up to 30 days paid vacation each year. Right now, opportunities are available for both High School and Non-High School grads! CALL OR SEE YOUR LOCAL ARMY RECRUITER

Card of Thanks 32

PERIAPS You sent a lovely card. I sat quietly in a chair. Perhaps you sent a funeral spray. If I saw it there. Perhaps you spoke the kindest words. As any friend could say: Perhaps you were not there at all. Just thought of you that day. Whatever you did to console our hearts. We thank you so much whatever the part. By the way, the card of CLYDE A. WILSON. 32 12 11

WE WANT to express our sincere appreciation to our many friends for the kindness & sympathy extended us at the death of Our Beloved Husband and Father HARVEY H. THOMPSON, 1987. Special thanks to Rev. Showers, 6th floor nurses at St. Elizabeth Hospital and Thomas Mortuary & Family. 32 12 11

In Memoriam 33

IN LOVING Memory of GLEN GIBSON, December 12, 1974. God's golden gate stood open on the day of CLYDE A. WILSON. He quietly passed away. God saw that he was tired and weary from his rest. God's garden must be beautiful. He only takes the best. Sadly missed by Wife, Viola, Sons, Daughters. 32 12 11

IN LOVING Memory of NICHOLAS VUKOVICH who departed this life December 10, 1987. They say time heals all sorrow. And helps us to forget. But time so far has only taught me how much we miss you yet. Gone and forgotten by some you may be, But dear to our memory you are forever. Sadly missed by Daughter, Sister, Brother-in-Law, Kessinger Family and Friends. 32 12 11

IN LOVING Memory of NICK KOSICK who passed away December 9, 1989. Memories are treasured and never die. Death is a heartache no one can heal. Some may forget you now that you are gone, But we will never forget you. Sadly missed by Wife, Daughter, Grandchildren and All Who Loved Him. 32 12 11

IN LOVING Memory of CHESTER A. LAMBERT, December 8, 1983. Sadly missed by Ethel, William and Family. 32 12 11

IN LOVING Memory of Our Beloved Husband and Father NORMAN (RED) BLOCKBERGER, who passed away December 13, 1977. Sadly missed by his wife Norma Jean and Daughters Sherry and Kelley. 32 12 11

IN LOVING Memory of Our Son, ARCHIE C. BEATY, December 11, 1967. Mom and Dad. 32 12 11

LEGAL NOTICE TO FAMILIES WHO LIVED IN PUBLIC HOUSING PROJECTS OPERATED BY THE GRANITE CITY HOUSING AUTHORITY, GRANITE CITY, ILLINOIS OR LIVED IN PUBLIC HOUSING PROJECTS IN ANY OTHER CITY BETWEEN JANUARY 16, 1971 - SEPTEMBER 26, 1975. If you rented a house or apartment from the Granite City Housing Authority or any other Public Housing Agency (PHA) during the period between March 16, 1971, and September 26, 1975, you may be eligible to file a claim for a refund or part of your rent during that period if:

1. The wife or husband of the head of the household was present and dependent upon the head of the household for support and or;
2. A dependent member of your family household was employed.

If you believe your family falls within one of the categories described above, you wish to continue reading this Notice in order to determine how and under what circumstances you may want to file a bid.

On July 7, 1978, the District Court of the District of Columbia entered a Stipulated Order providing that the definition of family income for purposes of computing a maximum rent for public housing contained in a HUD Circular, which excluded spouses from the \$300 deduction for dependent and excluded dependents from each secondary wage earner, was denied and voided. The United States Housing Act of 1937, as amended. The effect of this determination is that certain families who lived in public housing during the period from March 16, 1971, to September 26, 1975, may have been charged too much rent. Therefore, the District Court ordered HUD to establish a one million dollar fund for the payment of rent payable to the former tenants of public housing may submit for a refund of any overpayments, which the District Court Stipulated Order provides that, if valid claims exceed one million dollars, HUD has the option of having the rent dissolved in full. This court dissolved in full. This court NTO and HUD may negotiate a modified settlement result in full, partial, or no payment depending on the total amount of valid claims submitted to HUD, or the final outcome of any further litigation. Any person wishing to receive a copy of the Stipulated Order or a claim form may do so by making their request known to a local PHA.

Individuals wishing to submit a claim must fill in the claim form and submit it to the Public Housing Agency's address indicated on the claim form, or such other appropriate Public Housing Agency if different from the address indicated, by December 15, 1978. December 7, 1978. No claims will be accepted after the end of the 120 day period, March 7, 1979.

Information provided by the claimant on the claim form must be specific as to the time period between March 16, 1971 and September 26, 1975, for which the wife or husband of the head of the household was a dependent and or a dependent in the household was employed. Claim forms may be obtained from the office of the Granite City Housing Authority, Nameoki Road and Edwards Street, Granite City, Illinois 62040. DAVID W. MORGAN Executive Director No. 5 34 12 11

The Madison County Sewerage Committee reserves the right to take the best bid, or to reject any and all bids. Considered bidders may obtain copies of the specifications and other contract documents at the office of the Engineer, Sheppard, Morgan & Schwaab, Inc., 2100 State Street, Granite City, Illinois 62040. A bid bond, cashier's check, or a certified check must be payable to the order of the Treasurer of the Madison County Sewerage Committee in the amount of ten percent (10) of the gross amount guarantee that in case the contract is awarded to him will, within 10 days after receipt of written notice of award, execute such contract and furnish a satisfactory contract bond. Upon failure to do so, he shall forfeit the deposit not as a penalty, but as liquidated damages and acceptance of the bid will be contingent upon the fulfillment of this requirement by the bidder. The checks or bid bonds of all accepting the three (3) lowest formal bidders, will be returned within ten (10) days after the opening of bids, the remaining checks, (or bid bonds), will be returned within ninety (90) days from the date on which the bids were opened and read.

No bidder may withdraw his bid within ninety (90) days of the scheduled time of closing bids. **EQUAL EMPLOYMENT OPPORTUNITY:** Bidders on this project will be required to comply with all provisions of the Equal Opportunity Clause as set forth in Article III Employment Practices Commission. The provisions of the Equal Opportunity Clause are included in a General Conditions of the contract documents. Bidders are informed that the contract awarded under this Notice to Bidder is expected to be funded in part by a grant from the Illinois Anti-Pollution Fund. Neither the State of Illinois nor any of its departments, agencies or employees is or will be a party to this Invitation to Bid, or any resulting Contract.

Mon. Dec. 11, 1978 Page 27

All proposals must be made on forms furnished by the Madison County Sewerage Committee. The successful bidder will be required to execute and present a performance bond in a sum equal to the bid amount of the contract. Bids must be for each contract division as a whole. The successful bidder will be required to agree that not less than the prevailing rate of wages as determined by the Secretary, John Henry Massey, made a part of these contract documents, shall be paid to all laborers, workmen and mechanics performing their work under this contract. The Madison County Sewerage Committee reserves the right to waive, or not to waive, and irregularities in the bids and to determine which is the lowest and best bid for the improvements. By Order of the Madison County Sewerage Committee. WALTER C. SPARKS, Chairman No. 1 34 12 11

Chapter hosts

yule party

The Academy of Friendship from Granite City Chapter 247 of the Women of the Moose held its annual Christmas party at the Plantation Dinner Theater. There were 23 members who enjoyed viewing Rita Lee in "Same Time-Next Year." Those attending were Sara Gusewille, Veronica Wilson, Dorothy Coy, Diana Warneff, Velma Finney, Alice Skaggs, Leitha Worthen, Birdella Meyenberg, Helen Davis, Frances Polley, Alice Knipping, Maxine Barnstable, Shirley Schmid, Chaiotte Allison, Nancy Hamilton, Arlene Tadlock, Mary Hancock, Winnifred Morris, Margaret Hester, Gladys Markovich, Mary Lee Busler, Irene Kozma and Mary Driscoll.

The group held its party before the buffet dinner in the Plantation's party room, and exchanged gifts by drawing numbers.

Table decorations of ornaments with each co-worker's name in gold glitter were furnished by the senior regent, Sara Gusewille.

Honor Circle yule luncheon

Members of Honor Circle of Niedringhaus United Methodist Church attended a Christmas luncheon at Roderick's Restaurant, last week, then returned to the church for a business meeting.

Mrs. Lucy Weaver, circle chairman, was in charge of the meeting and she also gave the devotions taken from Matthew and Luke on the birth of Christ. She also reviewed a story taken from the Guidepost magazine written by Mala Powers on "The Way of Christmas" and the Advent Story.

The group gathered at the church in the morning for a quilling session before attending the luncheon.

Present were Mrs. Weaver, Winifred Reimers, Augusta Pender, Edith Etherton, Pearl Campbell, Eva Evans and Beulah Fox.

Missionary Circle Christmas party

The Ella Mae Missionary Circle of Mount Zion General Baptist Church held its Christmas party Tuesday in the church fellowship hall.

A program taken from Corinthians 13-13 explaining love and gift giving at Christmas time was presented by Mrs. Carolyn LeMaster.

To open the affair all members sang Christmas carols followed by prayer offered by Mrs. Harriet Phelps. Roll call was recorded as each one related a special blessing they experienced during the year.

President Opal Penrod presided at the business session as the group agreed to donate money to a missionary in the Philippines in lieu of a gift exchange.

Table decorations were in keeping with the yuletide season and refreshments were served to those named and to Mesdames Bessie Phillips, Lily Graf, Mary Goodall, Edith Etherton, Flo Monroe, Elsie Clark and Erymie Camren.

Closing prayer was given by Mrs. Clark.

WE TRY!

Not too long ago a lady came in one of our stores and said to the manager, "You probably don't have dry cottage cheese, do you?" The manager told her to stand right there and he would be right back. . . he returned in less than a minute with a package of Meadow Gold dry cottage cheese. The lady was very impressed and said, "I've looked in every store in town for this and no one else has it!" To which the manager replied, "Why didn't you try . . . Tri-City first?" We might not have everything you want, but we'll try to get it for you!

TAILLESS T-BONE

A T-bone or any size porterhouse steak from Kroger not only has been trimmed to just a half inch rim of fat around the edge—the fatty tail's been completely topped off, too. You don't have to pay for a steak price for several ounces of useless fat or gristle. Kroger's tailless T-bones are easier to handle and turn on the grill as well—and obviously that's the way to truly compare the Kroger T-bone price with anyone else's in town!
